

KAY KLIPS

April 2019

To celebrate Earth Day Bonner Springs High School Kay Club cleaned up 138th Street in Bonner Springs. This road contains lots of trash because there is no sidewalk or shoulder of the road. BSHS Kay Club worked with BSPD Traffic Safety officers to ensure that traffic slowed and our students could be safe while picking up trash. They collected 34 bags of trash.

Holton HS KAY Club hosted a Prom Sequel for the Developmental Services of Jackson County! They used the prom decorations/food etc. from prom and had a fantastic time with 22 developmentally challenged folks!!!

Axtell HS KAY Club celebrated the year end with a team building trip to SkyZone. This was also the clubs celebration of all their hard work throughout the year!
