

# KAY KLIPS

Home

@ Blue Valley Northwest KAY Club recently completed a book drive for a local hospital. They also made book marks at their All KAY meeting to donate with the books. It was a huge success and they ended up donating over 500 books.

@ Marmaton Valley was busy over citizenship week. Tuesday they made Christmas cards and pictures for the Moran Manor residents (nursing home) and helped the K-2nd graders during their PE time. On Wednesday they made cards for the patients in the Topeka's VA Hospital. On Friday they celebrated with a club Pizza party during lunch.

@ Hoisington High School KAY Club sponsored a Santa's Workshop for kindergarten and 1st grade students. The HHS KAY Club purchases gifts throughout the year for the kindergarten and 1st grades students to buy and wrap gifts for family members.
