REGISTRATION FEES

The KSHSAA establishes registration fees in accordance with costs of purchasing, printing and distributing materials used by our officials. Dues for NFOA membership are included as part of the registration fee. The registration fee for one sport is **\$50** and **\$25** for each additional sport. If track and field is the only sport you register in the fee is **\$35**.

For officials registered 21 years or more, the registration fee is \$50 for the first sport and \$10 for any additional sport provided you register by July 14.

The KSHSAA will accept registrations for a sport through the registration deadline date listed on the schedule enclosed in this mailing. A **NEW** official's registration for football, basketball, volleyball, wrestling, soccer, baseball, softball and track & field is **VOIDED** if the official fails to complete the required online rules meeting or in-person officials rules meeting for each sport in which you are registered. Only registered officials may be assigned games via Arbiter.

A portion of your KSHSAA registration fee pays your membership in the NFOA. Kansas is a 100% NFOA membership state which means your membership includes access to the NFHS Central Hub through the ArbiterSports website. This section contains officiating educational content exclusively for high school officials including a searchable rules database, publications, video and more. Your membership also includes NFOA insurance, publications and other benefits. To complete the NFOA membership and provide you with NFOA insurance coverage, an official is requested to provide only the last four digits of your social security number with your KSHSAA registration.

ARBITERSPORTS INFORMATION FOR KSHSAA REGISTERED OFFICIALS

The majority of leagues use ArbiterSports to notify officials of game assignments. The KSHSAA pays for all school league commissioners to use this assigning tool. The KSHSAA will use ArbiterSports to notify all officials of postseason assignments. **The KSHSAA DOES NOT assign officials for regular season contests.**

Only KSHSAA registered officials will be available for assignment through Arbiter. **THEREFORE IT IS IMPERATIVE THAT YOU REGISTER EARLY WITH THE KSHSAA IN ORDER TO BE AVAILABLE FOR ASSIGNMENT BY COMMISSIONERS/LEAGUES AND SCHOOLS USING ARBITER.**

Please note the following regarding the ArbiterSports officials assigning system:

1. All officials registered with the KSHSAA will be automatically placed in the KSHSAA Administration Arbiter account #103765.
 - You must join this account in order to be assigned games by individual schools.
 - You must join this account in order to be added to sub-groups (commissioner) accounts.
2. **YOU MUST PROVIDE AN EMAIL ADDRESS WHEN YOU REGISTER WITH THE KSHSAA.** After registering with the KSHSAA, login to your ArbiterSports account and check the email address listed. Be sure it is the email address you want to use to receive game assignments through ArbiterSports. **You must have an email address in ArbiterSports to receive game assignments.**
3. Officials registering for the first time will be sent a welcome message via email to join the KSHSAA Administration account. Officials must accept this group invitation in order to be added to other groups.
4. Officials that were registered for the 2017-2018 school year will remain in Arbiter sports as assignable until the new registration period begins for 2018-2019.
5. Once you accept the invitation to be in group #103765 (KSHSAA Administration) other commissioners can choose to add you as an official to their account.
6. You will receive a welcome invitation from each sub-group (commissioner) that wishes to add you to their account. You will need to accept each sub-group invitation in order to be assigned by that commissioner.
7. In order to remain in the KSHSAA Administration account and be assignable an official **MUST** register with the KSHSAA prior to the last date for registration in that sport (see other information in this mailing).
8. If an official fails to register with the KSHSAA by the registration deadline the official will show as unregistered in ArbiterSports and will not be able to receive game assignments. **ANY EXISTING ASSIGNMENTS AT THIS TIME WILL BE REMOVED.**
9. In order to not jeopardize your ability to receive games from individual schools or from league commissioners, officials should register with the KSHSAA as quickly as possible after June 1.
10. Information on blocking dates, accepting/declining games and other functions of ArbiterSports is available on the ArbiterSports website.
11. It is each official's responsibility to keep up to date all contact information (including your email address) in the KSHSAA.org website account and all Arbiter accounts.
12. **NFHS Central Hub** – Because you are a registered official in Kansas and Kansas is a 100% NFOA membership state with the NFHS, you have access to a wealth of educational and training information through NFHS Central Hub on the ArbiterSports website. This service is FREE to all registered KSHSAA officials. Please take advantage of part of your registration fee and check out the Central Hub! Features include: searchable rules books and case books, video clips of plays, animated simulations of mechanics and the Officials Quarterly.
13. On the following page you will find the league commissioners and their contact information. If you are looking for regular season contests please contact them telling them your experience and dates available. You can find the schools in each league by logging on as an official on the KSHSAA website. After you are logged in, go to Directories>School Directories>View High School Leagues.
