

August 9, 2018

Your team is invited to the **Blue Valley Northwest Debate Invitational** to be held **Saturday, October 20, 2018.**

We will host JV, and Novice divisions in policy. All policy divisions will use 8-3-5 time limits. We will use the 2018-2019 NSDA policy topic.

**Fees are \$4 per entry**, unless a swap arrangement is made in advance. Our space is limited, so priority will be given to schools who've accommodated our entries, and particularly schools who offer JV and unrestricted novice divisions at their tournaments; however, we will try to accommodate as many entries from other schools as space allows.

There will be five rounds of competition in each policy division. **BVNW will provide team medals up to the top 16 teams in each division, depending on size.** Any unbreakable tie will be decided in our coach "Thunder dome"; however, we do reserve the right to cancel "combat" and award additional medals to the students instead.

Important items:

- All KSHSAA rules will apply.
- Teams more than 10 minutes late, through no fault of the tournament, will receive a Loss with 3-4 ranks.
- **There are NO evidence or case restrictions, including novices. No grievance will be entertained for failure of a team to adhere to a case list.**
- Coaches must complete the sweeps form located in the registration folder prior to awards.
