

## 2021 Summer Coaching Rules

There may be revisions to these regulations if COVID19 continues into the summer months.

This is an attempt to answer some questions concerning what coaches may or may not do under the summer coaching rule. These regulations apply to all athletic activities sponsored by the KSHSAA.

Students are considered part of the high school program immediately upon graduation from junior high or middle school. Students are considered a member of the middle/junior high school program immediately after being promoted to the 7<sup>th</sup> grade.

### Summer

Defined as the Saturday before Memorial Day through Labor Day.

### Important Dates for 2021 – KSHSAA Handbook Rule 10-1-6

Beginning May 29 through July 18 coaches may coach teams in non-school competitions and/or conduct workouts/practices. Beginning May 30 until July 17 coaches may conduct a “one-week coach’s team camp.” Only students enrolled at the school may attend the “coach’s one-week team camp.” No “coaches’ one-week team camps” may take place after July 17 in any sport. KSHSAA catastrophic insurance does not cover a “coach’s one week team camp”.

### 2021 SUMMER MORATORIUM

June 28-July 4, 2021 is the summer moratorium. There shall be NO school related athletic activities. During this time coaches (licensed teacher coaches and coach aides employed by member schools) shall be prohibited from engaging in any type of activity involving student athletes whether it be practice, training, weight-lifting, conditioning, competition or travel. All member school athletic facilities will be closed during this period to school personnel and students grades 7-12. If member school athletic facilities also serve as non-school community recreation facilities, these facilities may remain open during the moratorium so long as no school teams are playing and no school coaches are coaching the teams/individuals. During this one-week dead period, students may attend camps or competitions but may not do so with their school coaches. This moratorium does not impact fine arts or spirit activities.

coaches may no longer coach their players in leagues/tournaments. Coaches may supervise an open gym, but no sport-specific instruction may be given.

August 1 through August 15 **volleyball, basketball and football** coaches may only participate with their athletes in weight-lifting and non-sport-specific conditioning. During this two-week period, no other coaching or instruction is permitted by volleyball, football and basketball coaches.

Through Labor Day, coaches in sports other than volleyball, basketball, football, boys soccer may continue coaching their summer teams, even if that team has potential members of their school team. No coach's one-week team camp may take place after July 17. Coaches cannot have school team practices or conditioning specific to a single sport. School weight-lifting and non-sport-specific conditioning, available for all students in a school, may continue through August 14, 2021. Fall sports practices begin August 16, 2021.

### **Football Helmets & Shoulder Pads**

Member school football coaches **may not** conduct/sponsor a contact football camp. Shoulder pads may not be used during summer workouts/practices. With approval by the school district, school-owned football helmets may be used during the school coach's one-week team camp. The school district must approve the use of helmet/shoulder pads by players at college or other summer camps. **(These camps may not be sponsored by the school employed coaches.)**

### **Fundraising to Pay for Athletic Camps**

If students wish to fundraise to pay for summer athletic camps, clinics or tournaments, they may not do so at school-sponsored events. When soliciting money, they must represent themselves as an individual(s), not as a school team. Any money collected for the purpose of paying for summer camps, clinics or tournament entries must not be deposited and run through a school account. Schools/booster clubs cannot be involved in funding these activities or distributing the money. Booster clubs, individuals and school or charitable foundations are considered the same as member schools in this regard.

### **Insurance Coverage**

**The KSHSAA catastrophic and liability insurance policy does not cover these summer activities.** Each coach is responsible for securing insurance for their camps, clinics, workouts or practices. Coaches should visit with their school administration about whether the school's insurance policy extends to these activities as they are not "school programs" but rather coach programs. The KSHSAA catastrophic insurance does not cover these camps.

### **Pick-Up Games**

May a coach invite other groups of kids from other schools to their facility to play "pick-up" games? Yes, but no school uniforms may be used and facilities must be rented/leased per board policy. School owned transportation may be used provided it is approved by the school district administration. KSHSAA catastrophic insurance does not cover these activities.

### **School Uniforms/Team Equipment**

School-owned uniforms, practice gear, shoulder pads and other individual player equipment **cannot** be used for coaches' one-week summer camps, other camps, clinics, tournaments or gatherings of teams at schools to play games or scrimmage. Team equipment such as balls, blocking dummies and toss backs, etc., may be used provided use is approved by the school district.

### **School Facilities**

School facilities may be used provided the school district has approved the use of the facility and the proper rental/lease agreements have been approved. Remember – these workouts, practices, camps and clinics are the *coach's*, not the school's.

### **Standard Calendar Week (SCW)**

The KSHSAA numbers weeks in conjunction with the NFHS. Standard Calendar Week #1 will always be the first full week in July. A standard calendar week runs Sunday through Saturday.

### **Squad Limits**

During the summer period, students **may** play on teams which include any number of students from their same school squad. There are no roster limitations on students from the Saturday before Memorial Day until the Tuesday after Labor Day.

### **Transportation** (new summer 2015)

School districts may permit school owned transportation to be used to transport students to athletic summer camps, clinics, workouts or scrimmages with other schools. KSHSAA catastrophic insurance does not cover these summer activities. Individual school districts will decide whether to permit school owned transportation to be used for these activities.
