The KSHSAA is an association of member schools, whose purpose is to administer a program of interscholastic activities, festivals, clinics and contests among member schools. The KSHSAA offers state championships in eleven boys and eleven girls sports, and ten additional championships in music activities, debate, speech and drama, and scholars bowl. The Association is comprised of 355 senior high and 407 middle/junior high member schools. Member schools must be accredited and are both public and private schools.
