

Greetings Friends,

We are excited to host you in Kansas City this weekend for the 2017 K.S.H.S.A.A. State Forensics Festival.

1. Registration will be outside 2110 of the Humanities Building. Our campus is at 7250 State Avenue in Kansas City KS. When you arrive from the State Ave entrance you will drive past a softball field, a small lake, and a conference center building. Continue on that road to the main campus building. You will see the Humanities building first. Park anywhere not marked reserved.
2. When you enter the Humanities building come down 1 flight, stairs or elevator, and you'll see the registration area outside 2110. 2110 will be the tab room. After your students have performed and their scores posted, along the windows in that hallway, you can pick up their ballots and any medals or certificates.
3. Please remind your students that t-shirts will be available for purchase.
4. There will be an updated schedule in your packet when you arrive if any changes are made during the week. **Please check it. Please check the schedules posted when you arrive for possible room changes. Performance times will not change but judge and rooms may.**
5. Once you find registration, finding rooms will be easy. All competition and draw rooms will be near 2110. Extemp and Impromptu draw will be in 2101. IDA draw will be in 3206. Competition rooms will be in the 2100's and 3200's.
6. One Act Plays will perform in the Performing Arts Center. You can reach it without ever going outside. It is on the north end of the building. If you are performing a one-act Friday, please gather in the lobby of the performing arts center prior to your performance time. When it's time for you to set up you will be greeted by someone and taken into the theater. Friday performances will be able to pick up their ballot and any medals or certificates that evening.
7. If you have any questions please let me know. If it is urgent you can call or text me at 316-214-9502

8. We look forward to hosting you this weekend. On behalf of the Debate and Forensics Teams of KCKCC, the Division of Arts, Humanities, and Social Sciences, our Dean, our CFO, our CIO, the College President, and the Board of Trustees, it is truly a pleasure to have you all on our campus. Please let us know if there is anything we can do to make your stay more enjoyable.

9. Below you will find a campus map. Feel free to print it out, however once you find 2110 of the Humanities Building, as I noted, all rooms will be very easy to find.

10. Best of luck to you and your students this weekend!!

Sincerely,

Darren Elliott

Director of Debate and Forensics

Kansas City KS Community College
