

Wichita East High School
2301 E. Douglas
Wichita, KS 67211

KSHSAA STATE SPEECH AND DRAMA FESTIVAL

Dear Coach:

Congratulations and welcome to the KSHSAA State Speech and Drama Festival. This year, Wichita East High School is hosting both the Festival and the 3A State Championship; our Festival site has almost 300 entries, and the 3A State Championship is as competitive as ever. This is a tribute to your good coaching!

LOCATION

Wichita East High School is located at the intersection of Douglas and Grove. If you are on I-35, take the 1st/2nd Street exit; go east to Grove and then south to Douglas. If you are westbound on Kellogg/HW 54, take the Grove Street exit; turn right and travel to the school; turn left (west) and turn in the parking lot on the south side of the building. If you are eastbound on Kellogg/HW 54, take the Hillside exit, go north on Hillside to Douglas, and then west to Grove. Turn left on Grove, then right into our parking lot.

PARKING

Please do not bring buses into this circle drive on Grove Street—the drivers quickly discover the lane is too narrow and the turn too tight for them. I recommend that large buses park in the south parking lot. You may reach this lot from Grove. There is also a small parking lot at the west end of our building; if you continue through this lot, it connects to our south parking lot. (From this parking lot you will have the exterior view of our new gym.)

ROOMS

Wichita East is a three-story building, but you will quickly discover that the 2nd floor is the “main floor” of the building.

We will use rooms in the West Complex portion of our building for the State Festival. We will have a check-in table near the West Auditorium on the 2nd floor of West Complex. (You should check in at this table at least 30 minutes before your first scheduled performance to receive your ballots, etc.) One-Act Plays are in our new theater at the far-west end of the West complex. The Festival tab room is on the 2nd floor. This tab area is also the hospitality area for our Festival judges; please respect their few opportunities for breaks.

When they are not performing, we ask that students and sponsors remain in our Dining Room. You will find it on the first floor (beneath the library) where the East and West buildings connect. We will have a concession stand in the Dining Room with soda, candy, etc., for sale.

The east portion of our building will be used for the 3A State Championship tournament. It functions with its own tab room, extemp and IDA prep rooms, and

performance rooms. There are two 3A performance areas in the west complex. Access these rooms by staying on the first floor.

It goes without saying that we expect all students to behave respectfully, both toward other performers (by not creating noise problems) and toward the building (be careful with furniture in rooms). In the past, we had students who “played” on the fire exit stairs, waded in the pond on the front lawn, and skateboarded in the building; these behaviors are both dangerous and unacceptable. Any problems should be brought to my attention.

SCHEDULES

Please check the schedules and let me know immediately of any problems.

On Saturday, we suggest you check in approximately 30 minutes before your first performance time; your completed packet should be available approximately 30 minutes after your final performance time. Please have a coach or sponsor pick up packets; do not send a student.

We have allocated our judges time for ballot writing. These judges are outstanding and you should welcome their comments. Please do not rush judges by asking for an earlier performance time when they are trying to provide helpful comments to performers.

T-SHIRTS

Once again, State Festival T-shirts are available. **Please pay ONLY with checks made out to Western Associates.** We CANNOT accept cash or checks made out to Wichita East High School. The price is \$16 (\$17 for XXL.)

ONE-ACT PLAY

We will be using our new theater (T100 on the map) for the one-act play festival. Enter our campus from the Grove Street entrance, drive through the south parking lot, and then turn right to unload at the theatre area. Please unload at Door #27. **We have the KU barnstorming event going on that evening, so the parking lot will be a mess. Please encourage your bus drivers to use caution as they go through the parking lot to reach the theater.** Audience members may enter through Door #25. Buses may park in our west lot or at the theatre doors (be sure not to block traffic). Please help us by working quickly and being ready to perform on time.

Please honor these requests from our drama teacher: No food or drink in the theater. Performers should not touch the curtains; fly lines will be operated by East High representatives. Do not pin, tape, or clamp items to the curtains. Only painters, gaff and spike tape are allowed on stage; no masking, scotch, or electrical tape.

My squad and I are looking forward to being your hosts for this state competition. If you have questions, please do not hesitate to ask.

Sincerely yours,

Vickie Fellers
