

Wichita East High School
2301 E. Douglas
Wichita, KS 67211

KSHSAA STATE SPEECH AND DRAMA FESTIVAL

Dear Coach:

Congratulations and welcome to the KSHSAA State Speech and Drama Festival. Wichita East High School is honored to host both the Festival and the 3A State Championship; our Festival site has almost 300 entries, and the 3A State Championship is as competitive as ever. This is a tribute to your good coaching!

LOCATION

Wichita East High School is located at the intersection of Douglas and Grove. If you are on I-35, take the 1st/2nd Street exit; go east to Grove and then south to Douglas. If you are westbound on Kellogg/HW 54, take the Grove Street exit; turn right and travel to the school; turn left (west) and turn in the parking lot on the south side of the building. If you are eastbound on Kellogg/HW 54, take the Hillside exit, go north on Hillside to Douglas, and then west to Grove. Turn left on Grove, then right into our parking lot.

PARKING

Please do not bring buses into this circle drive on Grove Street—the drivers quickly discover the lane is too narrow and the turn too tight for them. I recommend that large buses park in the south (main) parking lot. You may reach this lot from Grove, and this is where you will find the main entrance to the school. There is an additional small parking lot at the west end of our building (you can continue through the main lot) off Douglas St., although the doors to the school on this side of the building are locked.

ROOMS

Wichita East is a three-story building, but you will quickly discover that the 2nd floor is the “main floor” of the building.

We will use rooms in the West Complex portion of our building for the State Festival. We will have a check-in table on the 2nd floor of West Complex in front of W215, the State Festival tab room. (You should check in at this table at least 30 minutes before your first scheduled performance to receive your ballots, etc.) One-Act Plays are in the Performing Arts Theater at the far-southwest end of the West complex. This tab area is also the hospitality area for our Festival judges; please respect their few opportunities for breaks.

When they are not performing, we ask that students and sponsors remain in “The Hangar” (cafeteria) on the first floor (beneath the library) where the East and West buildings connect. We will have a concession stand in “The Hangar” with drinks and snacks for sale.

The east portion of our building will be used for the 3A State Championship tournament. It functions with its own tab room, extemp and IDA prep rooms, and

performance rooms. **There are two 3A Championship performance areas in the west complex. Access these rooms by staying on the first floor.**

It goes without saying that we expect all students to behave respectfully, both toward other performers (by not creating noise problems) and toward the building (be careful with furniture in rooms). In the past, we had students who “played” on the fire exit stairs, waded in the pond on the front lawn, and skateboarded in the building; these behaviors are both dangerous and unacceptable. Any problems should be brought to my attention.

SCHEDULES

Please check the schedules and let me know immediately of any problems.

On Saturday, we suggest you check in approximately 30 minutes before your first performance time; your completed packet should be available approximately 30 minutes after your final performance time. Please have a coach or sponsor pick up packets; do not send a student.

We have allocated our judges time for ballot writing. These judges are outstanding and you should welcome their comments. Please do not rush judges by asking for an earlier performance time when they are trying to provide helpful comments to performers.

T-SHIRTS

Once again, State Festival T-shirts are available. **I will happily accept cash, checks (made out to Wichita East, and credit cards** The price is \$17 (\$19 for XXL.)

ONE-ACT PLAY

We will be using the Performing Arts Theater (T100 on the map) for One Act Plays. Enter this theater from the Grove Street entrance, drive through the south (main) parking lot, and then curve to the right to unload at the theatre area. Please unload at Door #27. Audience members may enter through Door #25. Buses may park in our west lot or at the theatre doors (be sure not to block traffic). Please help us by working quickly and being ready to perform on time.

Please honor these requests from our drama teacher: **No food or drink in the theater. Performers should not touch the curtains; fly lines will be operated by East High representatives. Do not pin, tape, or clamp items to the curtains. Only painters, gaff and spike tape are allowed on stage; no masking, scotch, or electrical tape.**

My squad and I are looking forward to being your hosts for this state competition. If you have questions, please do not hesitate to ask.

Mike Harris
