Make-A-Wish

We actually haven't done this yet, but we got the idea from NASC. The idea is that you have kids write down a wish on a piece of paper and reasonable wishes can be granted. It is supposed to help raise morale.

We have a pep club made up of seniors. These seniors design t-shirts and provide a pep bus to all away games. During the time before games, we have the tailgaters club cook out with coaches and have small games. During the game the loudest/peppiest/most spirited students throughout the student section help to get every class pumped.

Speaker

We have not done this – I've just been to conferences and believe this would be a good project. Having a speaker come talk to the student body about the importance of an open-minded attitude and getting involved with good leadership skills, etc. A speaker I'd suggest would be Bill Cordes.

Thomas More Prep-Marion High School - Hays

Pep Shirts

Every year our classes have colors. We make a t-shirt for every class and instead of having to pay for admission into every game, all you have to do was buy a class shirt and you got in free to all of the games.
