Hutchinson High School

Diversity

Cultural awareness, each club such as StuCo, HIP, French Club, Key club etc. set up a stand in the Quad and sells food that relates to the club. Students buy food and hang out during their lunch period.

Kapaun Mt. Carmel High School

Teacher of the Year Award

Each year students submit nominations for Teachers and Support Staff of the Year that was the best. We have an award for a new teacher and one for a more experienced teacher.

St. Thomas Aquinas

Spelling Bee All- School Championship

This brings back the spelling bee to high schools. All schools are able to participate in prelims (during English hours). Final rounds during seminar (live video updates). Hold the Championships (huge lights, announcer, BIG DEAL!) in theatre.

Newton High School

4.0 Gold Card

All students who get a 4.0 GPA get a card that gets you into all sports, concerts, plays, etc.

4A Schools

Chanute High School

Game Spirit Award

Students with the most spirit at the game gets \$5 and announced to the school

Spring Hill High School

Project Skip

It's basically an organization that tries to reduce students skipping class. It's like a court hearing where you have to battle it out between the court (StuCo and other leaders) and the principal.

Piper High School

STUCO Exchange

The Executive Board of one school swaps with the Executive Board of the other school to gain ideas.

Chapman High School

Academic Drawing for Good Grades

Give candy for good grades and draw for prizes

Paola High School

Drunken Driving Re-enactment

We placed two wrecked cars behind our building with students as actors. Ambulance comes to proclaim several dead. Mom sees dead daughter. Drunk driver is arrested. We brought a helicopter to life flight one student. VERY INTENSE!

Silver Lake High School

Standard of Excellence

To give more incentive for success on our state tests, our administration gives us an hour pizza party if we score the same as the previous year's class and if we improve on the scores, we've given a day off of school - usually a Friday in the spring. But, since our scores are consistently 100%, we are unable to improve, so we're given a day off for reaching the Standard of Excellence

Nemaha Valley High School

All School's Scholar Bowl (done during American Education Week)

Classes are split up into teams. Teams have Freshmen-Seniors and all are randomly picked. During seminar time, questions are asked and results are calculated. Top 4 teams move on to buzzer competition for all school to watch. Questions have been both pop culture related or fully educational. This is a good way to promote interaction between all ages and people. Everyone's strength is also allowed in this project. (Ex. - Some know their history while others rock at math).
