**9) CONTESTANT NUMBERS:**

- All contestants must wear the designated number assigned to them by the KSHSAA. Please use the four safety pins provided to secure to the front of your jersey. Your number must be secured to your jersey for access to the infield. If an athlete's number is lost, the coach must contact a KSHSAA representative at the officials' area (south end of the west stadium bleachers) to receive a new number. **(2018)**

**10) INFIELD ACCESS:**

- Only officials, contestants with numbers and in uniform, and approved media will be allowed access to the infield at the stadium. All coaches, managers and fans are asked to remain in the stands. It is not possible to run a championship meet of this magnitude without the cooperation of coaches and contestants in this matter. All team headquarters are asked to be located under the east stadium bleachers. Tents and canopies are permitted in the east side stadium bleachers only and must be placed in the top part of the stadium. Please be considerate of others when placing your tent!
- Pole Vault coaches will be permitted in the designated Pole Vault competition area (with provided pass) during the pole vault when their athlete(s) are in competition or warming up. Coaches are required to return to the stands following the conclusion of their vaulters competition. Coaches who violate will have their pass tripped of them.
- **Only competitors, with their athlete numbers and those with wristbands, and team coaches will be admitted onto the field for the final awards ceremony. All other individuals are required to remain in the bleacher area.**

**11) ELECTRONIC DEVICES:**

- As per NFHS rule 3-2-8, the games committee for the State Track and Field Meet has determined that contestants and coaches may not bring into or use any electronic devices in the competition areas during the State Track and Field Meet.
- The competition area, inside WSU stadium, is defined as the track surface, infield, and the area enclosed by the track, shot put ring and throwing sector area within the flagged and fenced areas.
- The competition area, outside of WSU stadium, is defined as the area enclosed by the flags and fenced area around the discus and javelin events.
- Pole Vault coaches are allowed to video within the designated coaching box.
- No cell phones or headphones are permitted on the infield. This is considered the competition area.

**12) LIFETOUCH PHOTOGRAPHY:**

- All photographs taken on the medal stand can be purchased from Lifetouch Photography.
- Lifetouch will be located under the west stadium seats. Contact information is located in the KSHSAA program.

**13) SCORING/MEDALS/TROPHIES/AWARDS:**

- Winners of the first eight (8) places will receive medals. All place winners should report to the awards stand immediately following the finals of their event for recognition purposes.
- Athletes must be in school issued uniforms to receive their medals.
- Scoring for all events will be as follows: 10-8-6-5-4-3-2-1.

- Trophies will be presented to the first 3 place teams in each classification immediately after the last event on Saturday. Winning teams are asked to report promptly to the awards stand to receive their trophies.
- A professional photographer will be taking pictures of all class placers during the awards ceremonies.

**14) TIMING:**

- FAT (Fully Automatic Timing) will be recorded for all running events. In addition, contestants will have lane identification numbers provided to ensure the correct order of finish can be established.
- Heartland Timing and Ticker Timing are the official timing company of the State Meet. Results will be posted at [www.heartlandtiming.com](http://www.heartlandtiming.com), [www.midwesttiming.com](http://www.midwesttiming.com), and [www.kshsaa.org](http://www.kshsaa.org).

**15) QUALIFYING FROM PRELIMINARIES TO FINALS:**

- In all races, where preliminaries are run, there will be two heats with the first two (2) place finishers from each heat qualifying for the finals and the four (4) next fastest times posted in the preliminaries. There will be eight (8) qualifiers for the finals.
- In the Long Jump, Triple Jump, Discus, Shot Put and Javelin, each competitor shall be allowed three (3) preliminary trials. Nine (9) competitors will qualify for the finals. In the finals, each qualifier is allowed three (3) additional trials.

**16) FIELD EVENT IMPLEMENTS:**

- Shot puts will be furnished by the KSHSAA. Schools may not bring their own shots into the shot put area. There will be a variety of shot offerings.
- Discus and Javelin implements will be weighed in no later than one hour prior to the event at the site designated in the team packet.
- Pole Vault poles are to be checked in with the head pole vault judge. The markings must be in compliance with NFHS Rules. The KSHSAA will provide the weight verification form.
- Implements can be weighed in and verified in the W-Club, which is located under the southwest stadium.

**17) PASS GATE:**

- Coaches, assistant coaches and managers will receive a wristband which must be worn in order for these persons to gain access to the stadium. Competitors must present their competitor number to be admitted and to access the field. The location of the pass gate will be at the north end of the east stadium for coaches, managers and competitors.
- KSHSAA member school superintendents, principals and athletic directors will be admitted through the north end of the west stadium bleachers. Wristbands will be placed on your wrist at the administrative pass gate.

**18) MEDIA CREDENTIALS:**

- Professional media members will be administered media credentials for state events in September of the current school year. The credential will be good for admittance to all state events. All approved media personnel wanting access to the competition area will need to have a wristband. This wristband is located in the press box.
