Art. 1: In order to be eligible for participation, the student must be a bona fide undergraduate member of that school and in good standing. (See **Rule 22-1-3, Outside Competition and Rule 30-2-2, Seasons of Activities.**)

In order to participate in practice, the student must be a bona fide undergraduate of that school and one who is eligible or has the possibility of eligibility.

Art. 2: A student who is under penalty of suspension or whose character or conduct brings discredit to the school or to the student, as determined by the principal, is not in good standing and is ineligible for a period of time as specified by the principal.

Art. 3: A student who uses any form of tobacco, illegal drugs, alcoholic beverages, etc., at school events is not in good standing.

Art. 4: A student who uses anabolic steroids would be ineligible for interscholastic competition until such time as medical evidence can be presented that his/her system is free of that drug.

Art. 5: A student shall not be permitted to make up work after the close of the semester for the purpose of becoming eligible. A "condition" or an "incomplete" shall count as a failure. However, should a student have an excused absence for day(s) missed, completing such work per school policy (Illustration: two days for every day missed) would not be considered as "make up" per se. Summer school is not to be used for making up credit deficiencies for the purpose of becoming eligible.

Art. 6: If the student competes under an assumed name, he or she shall be ineligible in all sports.

This announcement sheet is also located at www.kshsaa.org> Athletic>Gymnastics>Other Information>Announcements

Rule 22

OUTSIDE COMPETITION

Violation of this rule shall make a student ineligible for the remainder of that sport or scholars' bowl or debate season, unless he or she is reinstated by the Executive Board.

Section 1: General Regulations (apply to grades 7-12)

Art. 1: A student who is a member of a school athletic, scholars' bowl or debate squad effective Tuesday following Labor Day through Friday preceding Memorial Day may not participate as a member of an outside team or as an independent competitor in the same sport, scholars' bowl or debate activity. (Exception: See **Rule 4, United States Olympic Committee-Sponsored National Trials and Competitions.**)

NOTE: Informal participation on the part of the student athlete, such as that experienced on the black top (concrete), in the park, local "Y", etc., is not considered a violation of this rule, provided it was not formally called or organized, no coaching takes place, where no official score is kept, time kept, officials used, etc.

Intra non-school youth group athletic participation is not considered a violation of this rule. Inter non-school youth group athletic participation is a violation.

Art. 2: A student shall not be prohibited from competing on a special team within his or her own school such as an FFA team, etc. All members of such teams must be bona fide students, however, and eligible under the rules of the Association.

Art. 3: A student becomes a member of a school's athletic squad, scholars' bowl or debate team when he or she first participates in a practice session.

A student ceases to be a squad member after his or her last contest for the school's athletic squad, scholars' bowl or debate team or when the membership on a squad is terminated. (See **Rule 14-1-1, Bona Fide Student and Rule 30-2-2, Seasons of Activities.**)

Rule 26

ANTI-TRYOUT AND PRIVATE INSTRUCTION

A student who violates this rule shall be ineligible in that activity for a period of one year from the date of the violation, unless reinstated by the Executive Board.

Section 1: General Regulations (apply to grades 7-12)

Art. 1: A student may receive instruction from their parent(s) at any time. A student's parent(s) may attend their student's private instruction session without violating the provisions of this rule.

Art. 2: A student may receive private instruction at any time of the school year. During the time a student is a member of a school athletic squad, starting with the student's first day of school practice and ending with the student's last day on the school athletic squad, a student may receive private instruction subject to the conditions set forth in this rule.

Art. 3: Other individuals may be present at a student's private instruction session as long as they are there in a supportive capacity only and not giving or providing instructions to the student.

NOTE: Private instruction is defined as one student receiving instruction from one person during the period of instruction.

A group is defined as two or more students receiving instruction from an instructor during the same period of instruction.

Supportive capacity is defined as participating in the period of instruction without providing any instruction to the student or instructor or in a competitive situation/capacity.

Art. 4: A student shall not participate in group training sessions or tryouts held by colleges or other outside agencies in a sport while he or she is a member of a school athletic team in that identical sport.

Exception: The Kansas Legislature in the 2011 session, enacted the following law:

“(a) The Kansas state high school activities association and its member high schools, and administrators, principals, coaches, teachers and other affiliated with such association and member high schools, shall not adopt any rules and regulations or interpret any existing rule and regulation in any manner which would prohibit a student athlete from training with any Kansas state high school league-sponsored sport or competition while the student athlete is participating in nonschool swimming athletic training or diving athletic training, or both, during the high school sport season and throughout the year if:

- (1) The nonschool swimming athletic training or diving athletic training, or both, is under the jurisdiction of and sanctioned by the national governing body of the sport, U.S.A. swimming, inc., or U.S.A. diving, inc. and is conducted in a manner which protects the health and safety of the student athlete; and
- (2) the student athlete meets the reasonable and ordinary school-established requirements for participation in the student athlete’s high school swimming program or diving program, or both, including requirements designed to protect the health and safety of such student athlete.

(b) This section shall take effect on and after July 1, 2011.”

Rationale:

An Anti-Tryout and Private Instruction requirement:

- a. Protects the school/coach - student/athlete relationship;
- b. Establishes guidelines under which a student-athlete may receive private instruction;
- c. Helps preserve the school’s staffing integrity;
- d. Promotes and helps protect the student/athlete relationship to the school’s team;
- e. Provides opportunity for specialized individual training;
- f. Prohibits student/athletes from trying out for non-school teams during the school season of the same sport;
- g. Maintains a fair competitive environment for school teams;
- h. Protects the parent-child relationship.

Rule 30

SEASONS OF ACTIVITIES

Section 1: General Regulations (apply to grades 7-12)

Art. 1: A student shall not have more than one season of possible eligibility in grade seven and one season in grade eight. A student shall not **participate** in more than four seasons in grades nine through twelve, regardless of whether the ninth grade is included in junior high or in a senior high school.

NOTE: If a student is ineligible due to transfer, scholarship, etc., the season(s) during that period shall be counted toward the total number of seasons possible. (See **Rule 16-1-1, Semester Requirements.**)

Art. 2: Participation in a sport for any length of time, even though it may be only a part of one game, shall constitute a season.

Art. 3: During the school year a coach/coach’s aide may only be involved with his/her athletes in a sport during the season.

During the school year, prior to or after season, a coach/coach’s aide may not:

- a. Organize or conduct practices or competitions for his/ her athletes. However, a coach may be involved in one organizational meeting for a non-school league to assure no more than three of his/her athletes in basketball, six in 11-Man football, five in 8-Man football, four in volleyball, six in soccer, five in baseball, or five in softball are on the same outside team; (See **Rules 32-1, 33-1-5, 35-1-2, 38-1, 39-1, 43-1-1.**)

- b. Practice or compete with or against his/her athletes;
- c. Attend clinics or camps with his/her athletes.

Following the season of sport, seniors may receive instruction from their school coach, in the same sport.

NOTE: (For information pertaining to summer coaching restrictions, see **Rule 10-1-6.**) (See summer camp regulations, this section **Art. 6** for exceptions.)

Art. 4: Prior to the opening practice dates, there shall be no called or scheduled meetings where instruction is a part of the program.

NOTE: Coaches are permitted to check out equipment, distribute physical examination cards, and assign lockers without violating the standards.

Art. 5: Interschool scrimmages (practices) in all activities shall be prohibited.

- a. Schools may not hold interschool scrimmages (practices) in athletics, scholars’ bowl or debate. Interschool is defined as middle/junior school with another middle/junior school and senior high school with another senior high school. This does not eliminate scrimmages between alumni and the school team.

In Gymnastics and Swimming and Diving and Track and Field (pole vault only) schools who employ the same coach or share facilities and equipment, may practice together and not be in violation of the prohibition on interschool scrimmage.

During a scrimmage there can be no score kept and no clock. Use of officials is permitted. Should one or more game elements (score or time) be involved, it would no longer be a scrimmage, but must count toward the number of contests allowed during the season.

Intrasquad scrimmages, games among teammates, even with score, time and/or officials used would not be considered a game.

EXCEPTION: When combined with an interscholastic athletic event, it is permissible to conduct interschool scrimmages. (Illustration: Fifth quarter in football and basketball, etc. where the intent is to provide those not participating significantly in the interscholastic competition to have an opportunity to participate informally under modified game conditions.) Participation in a modified game condition (fifth quarter), as described above, would not count toward the four- or five-quarter limitation.

- b. Prior to the opening practice dates, a school’s athletic team may participate in a clinic designed for the improvement of athletic officials provided the clinic received prior approval from the KSHSAA Executive Board. Coaches may be present and work with their students at these clinics. Team participation shall be limited to intra-squad scrimmages or being used as demonstration teams for those phases of the clinic that requires players to be on the floor/field.

Art. 6: No school-organized spring or summer practice or school-organized summer camps, shall be permitted. (See **Rule 20-1-1e, Awards.**)

a. A football, volleyball and basketball coach may be present only as an observer, participant or staff member at summer camps as long as the attendance of athletes he or she would be coaching the succeeding season does not make up more than ten percent of the total camp enrollment. The coach may not administer or organize the camp.

b. In addition to the above, a coach may organize and administer a one-week (per sport) camp for his/her players only, provided the following guidelines are met:

(1) The school shall not be involved other than to approve the use of facilities, dates and to be assured by the coach there will be no violations of KSHSAA rules and/or regulations.

(2) It shall be conducted following the conclusion of the second semester and before Sunday of Standardized Calendar Week #5.

(3) Member schools, the coaches and coach aides they employ, may not conduct contact football camps. (See **Rule 10-1-6 (c), Qualifications of Coaches and Rule 35-1-5, Football.**)

(4) School uniforms or **player equipment** may not be used. If school **facilities** (gymnasium, fields, balls, bats, etc.) are used, the coach must lease them per board of education policy.

(5) No coach or other school representative may directly or by implication direct a student to attend a sports camp as a condition for team membership.

(6) A student shall not receive pay or expenses for working at a camp involving a sport in which he/ she participates.

(7) The camp program shall not include any type of competition with teams or another camp.

Section 2: Senior High Regulations

Art. 1: The final date for school practice or competition in all athletics shall end on the date the state championship series is scheduled. The final date for a member school's athletic practice is the date the school is eliminated from post-season competition.

Art. 2: A student who is enrolled at the start of a season of sport, must be a member of the squad for the majority of the scheduled varsity contests, in order to be eligible for post-season competition. (See **Rule 14-1-1, Bona Fide Student; and Rule 22-1-3, Outside Competition.**)

Section 3: Middle /Junior High School Regulations

Art. 1: The opening date for athletic practice in any sport shall be Monday of Standardized Calendar Week #7. All athletic competition and practice shall close on the last day of school. (See **Rule 35-1-1, Football.**)

Rule 37

GYMNASTICS (Girls & Boys)

Section 1: General Regulations (apply to grades 7-12)

Art. 1: Schools are encouraged to schedule as many quadrangular or smaller meets as possible. It is recommended these events start after school hours.

Section 2: Senior High Regulations

Art. 1: All school practice and competition shall be confined within the opening dates of practice and state championship meets on Standardized Calendar Week #16.

Art. 2: Practice shall not begin prior to Monday of Standardized Calendar Week #7.

Art. 3: Competition shall not begin prior to Friday of Standardized Calendar Week #9.

Art. 4: The latest closing date for the state championship meet shall be Standardized Calendar Week #16 (girls).

a. For boys' gymnastics, when there are eight or more teams competing, there will be both team and individual champions recognized.

Art. 5: Events for boys' meets shall be established by the Executive Board. The events for girls' competition are those recommended in the National Federation Girls' Gymnastics Rules.

Art. 6: No girl or boy representing a member high school shall participate in more than ten meets during a season, exclusive of regional and state meets.

Section 3: Middle/Junior High School Regulations

Art. 1: No student shall participate in more than eight meets during a season, nor in more than two events per day. All-around may be counted as one of these two events.

EXCEPTION: Ninth grade students in junior high schools shall be permitted to compete in the same number of athletic competitions as ninth graders in senior high schools.
