KSHSAA/UCA MASCOT CAMP

June 20-23

Salina-Kansas Wesleyan University (Tue-Fri)

Must be accompanied by a school approved adult sponsor, if not the spirit coach.

While cheerleaders are working hard to learn routines and skills, our mascots are doing the same thing! Mascots will explore with a UCA mascot expert such important guidelines as:

- Athletic sports nutrition and hydration as well as proper costume maintenance
- Improvisational skills using various games and scenarios
- Game Day Showcase curriculum training

The camp will conclude with all mascots performing "Mascot Follies." This showcases skills learned during the week through hilarious skits and line dances, and it always ends with the crowd on their feet! UCA aims to make this the best week of the summer, complete with lots of laughter, fun and great new friends.

We must have 8 mascots sign up in order to offer this at camp.
