

# BASKETBALL SHOT CLOCK

## Considerations for Implementation

The NFHS has considered the shot clock 16 times since 2002. Until recently, applicable shot clock rules were not adopted, though a few states did experiment with a shot clock. This year, the NFHS approved a rule change permitting the adoption of a 35 second shot clock contingent upon respective state association adoption. The KSHSAA is gathering information from member school leaders and coaches as to their desire to implement a mandatory 35 second shot clock for Kansas schools.

Information gathered from companies that install shot clocks indicate the clocks will cost between \$3,000 and \$5,000 per gym to purchase. There will then be added cost of installation, wiring and other changes that may be needed in the facility to place the shot clocks. Other concerns shared include: hiring an additional person to run the shot clock who understands the game and knows the rules, training of officials, and challenges when the clock isn't reset properly. Data collected at the NFHS level indicates that most possessions currently last 15-18 seconds.

At a recent training, the KSHSAA asked 12 veteran registered basketball officials for pros and cons relative to the shot clock, and they provided the following responses:

Pros	Cons
Prevent the team trailing at the end of the game from fouling to stop the clock	*Limited by ability of student-athletes, coaches adjust to the type of players they have *Equipment and installation costs *Finding, training and paying qualified people to operate the shot clock will be challenge *Used at all levels or not
*Will add excitement to the game *Will stop the pull it and run the clock out theory	*Can't find enough workers as it is now in schools *Every possession becomes a last second shot *More conflicts between coaches and officials *Deterioration of fundamentals *Loss of Officials not wanting to try and learn new *Training officials *Associated costs
	*Quality clock operators *When watching games with shot clocks, officials often check the monitor, don't have that option *Number of games that a clock would be needed is minuscule *Bigger, faster, stronger athletes will most often win with a shot clock. Takes strategy of spreading the floor and ball handling.
Help flow of the game	*Cost of equipment and paying operator *Not having availability of video replay to confer if the ball touched ring on plays that clock operators miss *Officials will have to stop the game to try and decide where the shot clock needs to be set
	*Adds nothing to games.
*Better team more likely to win *Less fouling in final 2-3 minutes *More scoring *Advantage to good defenses *Prevents a total stall	*Someone to run the shot clock *Gives weaker teams less of a chance *More zone defense

	<ul style="list-style-type: none"> <li>*Expensive to schools for equipment/operators, especially smaller schools</li> <li>*What levels would we have it?</li> <li>*Too many teams already play to fast</li> </ul>
Pros	Cons
	<ul style="list-style-type: none"> <li>*Added cost</li> <li>*Complicated to run</li> <li>*Correcting timing mistakes</li> </ul>
	<ul style="list-style-type: none"> <li>*Schools can't get enough help</li> <li>*Have more games interrupted to reset and correct those errors</li> </ul>
<ul style="list-style-type: none"> <li>*Will speed up the tempo of the game</li> <li>*Cause more teams to press to force opponents to hurry once they get past half court</li> </ul>	<ul style="list-style-type: none"> <li>*Reliable people to operate the clock</li> <li>*Puts more pressure on the officials to have clock awareness for both shot clock and game clock</li> </ul>
	<ul style="list-style-type: none"> <li>*Staff properly trained to run the shot clock at all levels will be difficult</li> <li>*The expense of adding the shot clocks, plus getting them with supply chain issues</li> <li>*Another thing for young officials to be trained and understand</li> </ul>
	<ul style="list-style-type: none"> <li>*Requires schools to find a competent shot clock operator and pay them</li> <li>*Take some time for officials to know the time on the clock for errors</li> <li>*Tables not equipped with enough room for another person</li> </ul>
<ul style="list-style-type: none"> <li>*Could prevent a team trailing at the end from fouling to stop the clock</li> <li>*Eliminates the need to have a visible 10-second count in the backcourt</li> <li>*promotes quicker play/more action</li> </ul>	<ul style="list-style-type: none"> <li>*Leads to hurried offenses and poor quality of play</li> <li>*Additional layer of complexity for officials</li> <li>*No need to rush the HS games, plenty of teams struggle offensively</li> <li>*Sub-Varsity application will be challenging</li> </ul>

At Regional Administrator/BOE meetings conducted in the fall of 2021, school leaders will have the opportunity to provide feedback regarding possible adoption no earlier than the 2022-23 season.

At this time, the status of Midwest states follows:

- Colorado, Oklahoma, Nebraska, Missouri, Minnesota and Kansas are surveying stakeholders and will make a decision at future governing board meetings.
- Iowa has adopted the shot clock and will tentatively begin use in 2022-23 school year.
- South Dakota and North Dakota will amend their current shot clock protocol and adjust to the 35 second time period and other NFHS rule specifications. Both states have had some version of shot clock in recent years.

## KSHSAA HANDBOOK

### Rule 22 - OUTSIDE COMPETITION

**Violation of this rule shall make a student ineligible for the remainder of that sport, scholars bowl or debate season, unless he or she is reinstated by the Executive Board.**

#### **Section 1: General Regulations (apply to grades 7-12)**

**Art. 1:** A student who is a member of a school athletic, scholars bowl or debate squad effective Monday SCW #7 through Friday preceding Memorial Day may not participate as a member of an outside team or as an independent competitor in the same sport, scholars bowl or debate activity. (*Exception: See Rule 4, United States Olympic Committee-Sponsored National Trials and Competitions.*)

**NOTE:** Informal participation on the part of the student athlete, such as that experienced on the black top (concrete), in the park, local "Y", etc., is not considered a violation of this rule, provided it was not formally called or organized, no coaching takes place, where no official score is kept, time kept, officials used, etc.

Intra non-school youth group athletic participation is not considered a violation of this rule. Inter non-school youth group athletic participation is a violation.

**Art. 2:** A student shall not be prohibited from competing on a special team within his or her own school such as an FFA team, etc. All members of such teams must be bona fide students, however, and eligible under the rules of the Association.

**Art. 3:** A student becomes a member of a school's athletic squad, scholars bowl or debate team when he or she first participates in a practice session.

A student ceases to be a squad member after his or her last contest for the school's athletic squad, scholars bowl or debate team or when the membership on a squad is terminated. (*See Rule 14-1-1, Bona Fide Student and Rule 30-2-2, Seasons of Activities.*)

## KSHSAA HANDBOOK

### Rule 4 – UNITED STATES OLYMPIC COMMITTEE-SPONSORED NATIONAL TRIALS AND COMPETITIONS

#### Section 1: General Regulations (apply to grades 7-12)

**Art. 1:** Notwithstanding the other rules of the KSHSAA, a student may participate as an individual (not representing his or her school) without loss of interscholastic eligibility:

- a. as a member of a National Team (and the actual, direct tryouts therefore), which is defined as one selected by the national governing body of the sport on a national qualification basis either through a defined selective process or actual tryouts for the purpose of international competition which requires the entries to officially represent their respective nations, although it is not necessary there be team scoring by nation; or
- b. in an Olympic Development Program, which is defined as a training program or competition:
  - (1) conducted or sponsored by the United States Olympic Committee (USOC); or
  - (2) directly funded and conducted by the USOC member national governing body (NGB) on a national level (e.g. NGB national championship competition and the direct qualifications therefore); or

PROVIDED, HOWEVER, participation as described in (a) and (b) above is an exception to the other rules of the KSHSAA only if:

- (1) the participation, if during the school year, is approved by the student's high school principal, and the KSHSAA is notified in writing by the principal at least 30 days prior to the start of the program; and
- (2) the student makes prior arrangement to complete missed academic lessons, assignments and tests before the last day of classes of the credit grading period in which the student's absence occurs; and
- (3) the student misses no KSHSAA-sponsored postseason athletic event involving a team in that sport.

# KSHSAA CLASSIFICATION COMMITTEE

June 9, 2021

## ISSUES

- Establish level playing field
- Attendance boundaries
- Open enrollment vs. selective
- Out of state kids
- Economics
- Not all private schools are the same. Some schools exploit rules, others don't.
- Enrollment rules differ among public schools too
- Can selective sports move, but not all?
- Impact on activities
- Optional classification move
- Identify multiplier

## PROPOSAL

**Implement a varying multiplier for private schools based on specific criteria. All private schools begin with a 1.0 multiplier.**

### **CRITERIA:**

1. **Geographic Population** – public school attendance area in which the private school is located.  
5A/6A: +.3  
3A/4A: +.15  
1A/2A: 0
2. **Championship Factor** - cumulative state championships over the previous 5-year period (not sport specific).  
10+: +.3  
5-9: +.15  
<5: 0
3. **Free/Reduced Lunch Population**  
0-20%: +.15  
>20%: 0

### **NOTES:**

- Schools cannot move up more than one classification.
- Multiplier enrollment count does not force a school to move from 8-person to 11-person football.
- No Appeals process
