Wichita Heights boys, under the direction of Joe Auer and led by McDonald's All-American Perry Ellis, won its fourth straight Class 6A state title in 2012 and established the state's longest winning streak for boys at 62 straight wins, a streak that was ended by Wichita North as Heights lost its final two regular season games of the 2013 season.

St John-Hudson HS sets new state record win streak

The St John-Hudson HS state record win streak of 63 games began 2/12/2013 with 7 straight wins to finish the 2012-13 (25-1) season. That was followed by 26 wins in 2013-14 (26-0), 26 wins in 2014-15 (26-0), and 4 straight wins to opening the 2015-16 season. The streak included 3 straight state titles, Class 1A-I in 2013, then Class 2A in 2014 and 2015. The win streak came to an end on 12/15/15 when St John-Hudson was defeated at home by Central Plains-Clafin HS.

St John-Hudson broke the previous state best win streak of 62 games, set by Wichita Heights from 2010-2012, with a 55-43 road win over Larned on 12/12/15.

Alex Santiago
(Burrton HS) set
the boys' state
tournament all-
time single game
scoring record
with 53 points in
the 2010 opening
round.

Perry Ellis (Wichita Heights) came the first
four-time Gatorade Kansas Player of the Year
in 2012 as he led Heights to four straight
Class 6A state tournament titles.

Antoine Carr (left) and Darnell Valentine (right) were two important cogs in the basketball machine that was the 1977 Wichita Heights state championship team, a team declared by many to be the "best team in the history of Kansas high school basketball." Valentine was named to the 1980 US Olympic team and both played in the NBA after concluding their All-American collegiate careers.

## FIRST CHAMPIONS OF CURRENT CLASSIFICATIONS

(The evolution of the current classifications is found in the diagram on page 47.)

Wichita HS, later Wichita East, won the first Class A championship in 1925. The classification was later renamed AA, then 5A, and now is the current 6A.

Haven HS won the first Class B state championship in 1925. The division later was renamed 2A and now is the current 3A after the split of the earlier 2A into two divisions in 1979.

Lyons HS won the new Class A championship in 1941 when the original Class A was split into AA and A. The division later was renamed Class 3A before becoming the current Class 4A in 1979.

Brookville HS won the first Class BB championship in 1952. The division later became the current Class 1A in 1969.

KC Sumner HS won the first Class 4A championship in 1969. The division later was renamed 5A.

Jackson Heights HS won the new Class 2A in 1979 after the split of the old 2A division into classes 3A and the current 2A.

**The War Years**

The years of World War II brought changes to high school athletics, but with the encouragement of the Governor competition including the state playoffs continued. The state tournament format was changed to four-team tournaments with all three classes playing at a single site.

Pictured is the 1942 Fredonia High team which won the Class A title. All seniors, most of the team had graduated early and were enrolled in a local war-time, vocational-technical program developed by Fredonia superintendent Howard Wilson. The plan was so successful in getting young men ready for war-time jobs in the military that other schools in the state copied it and it became known as the "Fredonia Plan".

Wichita Heights won its fifth state championship in 2007, going 24-1 for a second straight year.

Catching lightning in a bottle, the 1985 Hutchinson girls became the first girls team to win a state championship with only a .500 record (12-12).

Bishop Miege HS' 2009 title gave the Stags' a girls' state best 16th state championship, all under the direction of coach Terry English. English led the Stags to 63 straight wins, that streak ending Dec. 16, 2016. He garnered his 800th career win one week earlier against McPherson.

### Central Plains-Claflin HS state record win streak ends at 138

The Central Plains HS state record win streak of 138 began 3/03/2015 with 6 straight wins to finish the 2014-15 (25-1) season. That was followed by 26 wins in 2015-16 (26-0), 26 wins in 2016-17 (26-0), 26 wins in 2017-18 (26-0), 27 wins in 2018-19 (27-0) along with its state record sixth straight state championship, followed by 25 wins in 2019-20 (25-0) only to have the state tournament cancelled following the quarterfinal round. The win streak came to an end on Dec. 11, 2020, when Phillipsburg defeated Central Plains, 49-44, after Central Plains had opened the season with two wins.

Central Plains broke the previous state best win streak of 107 games, set previously by Hoxie from 2011-2016, with its win in the 2019 Sub-State championship game over Rawlins County.

Records for Central Plains W-L records in KSHSAA state tournament programs include byes in the first round of Regional or Sub-State play which were then counted by the Association as wins for seeding purposes in subsequent rounds of the state playoffs. The actual "on the court" wins are as listed in the opening paragraph.

Spearville (1990) became the first school to win four consecutive girls' state championships, winning the Class 1A title in 1987 before sweeping three Class 2A titles in 1988 through 1990. During that championship run, Spearville's winning streaks of 49 and 45 games were broken up by a single loss.

Hoxie HS girls established a new all-time state best winning streak, winning their fourth consecutive 1A-I state championship with their 95th straight win, having earlier broken Little River's former state best of 91 straight wins. Hoxie would go on to win 107 straight games, the streak ending Jan. 26, 2016 with their overtime loss to Hill City.

Emily Ryan (Central Plains HS) completed her scholastic career as the #3 all-time leading scorer (3,007) and #1 in steals (599) plus 709 assists and state records for field goal percentage in a single season (79.6% in 2020) and a career (73.8%). Never having lost a game in her high school career, she led the Oilers to 104 straight wins and three 1A state championships only to have that streak interrupted by the suspension of the 2020 state tournament after the quarterfinal round. Graduating, she left Central Plains with an on-going state record and at that time the #3 all-time national win streak at 136 games entering the 2020-21 season.

Central Plains-Clafin broke the previous state best win streak of 107 games, set previously by Hoxie from 2011-2016, with its win in the 2019 Sub-State championship game over Rawlins County. The Oilers' eventual state all-time best 138-game win streak would include six consecutive state championships, that streak stopped only by the CoVID pandemic shut-down of the 2020 state tournament. (Full details of the win streak on page 66.)

*Jackie Stiles (Claflin HS) lays claim to the girls' top four single game, state tournament scoring performances as well as the all-time Kansas girls' scoring record with 3,603 points, but never won a state team title. She later became the all-time NCAA D-1 women's leading scorer for Southwest Missouri State University and like fellow Kansan Lynette Woodard would claim first team All-American honors along with the Wade Trophy and Broderick Cup.*

*Lynette Woodard (Wichita North HS) led North to two state championships while setting in 1977 state tournament records of 39 points and 113 total points, records which stood for 10 and 17 years, respectively. She would go on earn first team collegiate All-American honors four times and receive the Wade Trophy and Broderick Cup as the nation's outstanding female player for the University of Kansas. She earned spots on two US Olympic teams and was the first female to play for the Harlem Globetrotters.*

*Laurie Koehn (Moundridge HS) helped lead the Moundridge HS' girls to three straight Class 2A titles and concluded her prep career as only the third girl to score more than 100 points in a three-game state tournament. Koehn scored 3,160 points in her high school, second on the all-time Kansas list, before becoming the NCAA D-I's leading three-point scorer and the Big 12's all-time career free throw percentage leader for Kansas State University.*

*Maggie Holmberg (Washburn Rural HS) became the first girl to make more than 10 three-point field goals in a single state tournament game when she hit 11 treys on her way to a 40-point scoring performance against Dodge City in the 2010 Class 6A third place game.*

*Camilla Hartzler (Spearville HS) became the only girl to be a four-year starter on teams winning four-straight team titles as the Royal Lancers won Class 1A in 1987 before taking home three straight 2A titles in 1988 through 1990. Hartzler also earned a spot on the three-game tournament list for three-point field goals made, hitting 12 treys her senior season.*

*Susan Woolf (Andover HS) earned spots on the all-time state tournament three-game tournament lists for points scored and three-point field goals made in 1995 plus the single game tournament lists for points scored and free throw made in 1996. She ended her high school career with 2,847 points scored.*
