Central Plains-Clafin HS state record win streak ends at 138

The Central Plains HS state record win streak of 138 began 3/03/2015 with 6 straight wins to finish the 2014-15 (25-1) season. That was followed by 26 wins in 2015-16 (26-0), 26 wins in 2016-17 (26-0), 26 wins in 2017-18 (26-0), 27 wins in 2018-19 (27-0) along with its state record sixth straight state championship, followed by 25 wins in 2019-20 (25-0) only to have the state tournament cancelled following the quarterfinal round. The win streak came to an end on Dec. 11, 2020, when Phillipsburg defeated Central Plains, 49-44, after Central Plains had opened the season with two wins.

Central Plains broke the previous state best win streak of 107 games, set previously by Hoxie from 2011-2016, with its win in the 2019 Sub-State championship game over Rawlins County.

Records for Central Plains W-L records in KSHSAA state tournament programs include byes in the first round of Regional or Sub-State play which were then counted by the Association as wins for seeding purposes in subsequent rounds of the state playoffs. The actual "on the court" wins are as listed in the opening paragraph.

Bishop Miege HS' 2009 title gave the Stags' a girls' state best 16th state championship, all under the direction of coach Terry English. English led the Stags to 63 straight wins, that streak ending Dec. 16, 2016. He garnered his 800th career win one week earlier against McPherson.

Andover Central HS' undefeated Class 4A championship in 2008 was followed by an undefeated Class 5A title in 2010.

Buhler HS' 1977 state title was its fourth in the first five years of girls' state tournament play. The Crusaders would win a total of six titles under Hall of Fame coach Jim Baker.

Shane Cordell directed the Little River HS girls to four straight Class 1A titles and a Kansas all-time state best of 91 straight wins from 1994 to 1998. He retired after the 2014 season with a 604-214 win-loss mark.

Spearville (1990) became the first school to win four consecutive girls' state championships, winning the Class 1A title in 1987 before sweeping three Class 2A titles in 1988 through 1990. During that championship run, Spearville's winning streaks of 49 and 45 games were broken up by a single loss.

Emily Ryan (Central Plains HS) completed here scholastic career as the #3 all-time leading scorer (3,007) and #1 in steals (599) plus 709 assists and state records for field goal percentage in a single season (79.6% in 2020) and a career (73.8%). Never having lost a game in her high school career, she led the Oilers to 104 straight wins and three 1A state championships only to have that streak interrupted by the suspension of the 2020 state tournament after the quarterfinal round. She graduated, leaving Central Plains with an on-going state record and #3 all-time nationally 136-game win streak entering the 2020-21 season.

Jackie Stiles (Claflin HS) lays claim to the girls' top four single game, state tournament scoring performances as well as the all-time Kansas girls' scoring record with 3,603 points, but never won a state team title. She later became the all-time NCAA D-1 women's leading scorer for Southwest Missouri State University and like fellow Kansan Lynette Woodard would claim first team All-American honors along with the Wade Trophy and Broderick Cup.

Lynette Woodard (Wichita North HS) led North to two state championships while setting in 1977 state tournament records of 39 points and 113 total points, records which stood for 10 and 17 years, respectively. She would go on earn first team collegiate All-American honors four times and receive the Wade Trophy and Broderick Cup as the nation's outstanding female player for the University of Kansas. She earned spots on two US Olympic teams and was the first female to play for the Harlem Globetrotters.

Laurie Koehn (Moundridge HS) helped lead the Moundridge HS' girls to three straight Class 2A titles and concluded her prep career as only the third girl to score more than 100 points in a three-game state tournament. Koehn scored 3,160 points in her high school, second on the all-time Kansas list, before becoming the NCAA D-I's leading three-point scorer and the Big 12's all-time career free throw percentage leader for Kansas State University.

Maggie Holmberg (Washburn Rural HS) became the first girl to make more than 10 three-point field goals in a single state tournament game when she hit 11 treys on her way to a 40-point scoring performance against Dodge City in the 2010 Class 6A third place game.

Camilla Hartzler (Spearville HS) became the only girl to be a four-year starter on teams winning four-straight team titles as the Royal Lancers won Class 1A in 1987 before taking home three straight 2A titles in 1988 through 1990. Hartzler also earned a spot on the three-game tournament list for three-point field goals made, hitting 12 treys her senior season.

Susan Woolf (Andover HS) earned spots on the all-time state tournament three-game tournament lists for points scored and three-point field goals made in 1995 plus the single game tournament lists for points scored and free throw made in 1996. She ended her high school career with 2,847 points scored.
