

2023 FOOTBALL PLAYOFF BRACKET SEEDING FORMAT-EXECUTIVE BOARD APPROVED

Classes 6A, 5A, 4A

1. Win/Loss percentage of all games played.
2. Head-to-Head if all teams tied played each other.
3. Marginal points – An average will be used vs a total.
4. Drawn by lot (the KSHSAA will draw, with at least one witness).
5. Voluntarily forfeiting a game will result in a loss. Forfeiting team pays officials fees.
6. Games not played because of weather or other unforeseen circumstances do not count as a win or a loss for either team. Reasonable efforts should be made between school administrators to reschedule all contests, but if schools are unable to reschedule the game it does not count as a forfeit win or loss and will be recorded as “no game played”. When determining seeding for postseason tournaments the number of wins is divided by the number of games played to determine the winning percentage. This policy applies to both regular season and invitational tournament games. Only when the originally scheduled opponent agrees that no reschedule is possible, a school may seek a different opponent to complete the schedule.
