

## Week 7 – September 27, 2021

### **Meet Results**

Coaches need to be entering the results from each meet as quickly as possible. We are getting close to the end of the season and will need the information to be updated. Thank you.

### **Sports Medicine and Safety**

The SMAC (Sports Medicine Advisory Committee) will work to continuously update the Covid Risk Mitigations and the Return to Play Guidelines throughout the season. Please use these links to access the most current information.
