

Week 8 – October 4, 2021

Meet Results

Coaches need to be entering the results from each meet as quickly as possible. We are getting close to the end of the season and will need the information to be updated in order to determine state assignments.

If a girl does not participate in a meet, zeros need to be entered in the spot or else the scores all shift up and are therefore wrong. Linsey is going in and fixing all the results that have been entered to this point but coaches will need to do this from now until the season ends.

Judges Recommendations Due

Please complete GYM-1 by Wednesday, October 6 to recommend judges for the state gymnastics championship.

State Qualifying Details

The top eight (8) teams will qualify for the state meet, based on the average of their top four (4) meet scores. Results of non-invitational as well as invitational meets will be considered. The top five (5) gymnasts in each individual event who do not qualify as a member of a team will advance to state competition. These individuals will be determined by averaging their top three (3) scores from the season. In the event a gymnast has less than three scores in the event, the missing scores are entered as zeros. Individuals qualifying for the state meet must have a minimum average of 7.0.

Sports Medicine and Safety

The SMAC (Sports Medicine Advisory Committee) will work to continuously update the Covid Risk Mitigations and the Return to Play Guidelines throughout the season. Please use these links to access the most current information.
