

Individual Results

Coaches need to enter the results from the final meets for individuals to determine the top 5 gymnasts who will qualify if their teams did not. Please do this as soon as meets are complete.

If a girl does not participate in a meet, zeros need to be entered in the spot or else the scores all shift up and are therefore wrong. Linsey is going in and fixing all the results that have been entered to this point but coaches will need to do this from now until the season ends.

GYM-2 State Entry Form

These forms are due on or before Friday, October 15. Please complete and submit as soon as your team and/or individuals have qualified. Thanks for your attention to this request.

Postseason Judge Assignments

Postseason assignments for state meet judges have been made and state judges are in place. Thanks to the schools for your recommendations and to judges for applying. We couldn't do this without you.

State Qualifying Details

The top eight (8) teams will qualify for the state meet, based on the average of their top four (4) meet scores. Results of non-invitational as well as invitational meets will be considered. The top five (5) gymnasts in each individual event who do not qualify as a member of a team will advance to state competition. These individuals will be determined by averaging their top three (3) scores from the season. In the event a gymnast has less than three scores in the event, the missing scores are entered as zeros. Individuals qualifying for the state meet must have a minimum average of 7.0.
