

# KAY KLIPS

Kinlsey KAY Club spent the day before spring break "killing " every 20 minutes to demonstrate how often someone dies in a car accident. At the end of the day they gathered for a final photo op.

Arkansas City Middle School made dog toys for the Humane Society and had a Bowl for Kids Sake event.

The Olathe South - Falcon Service Club placed 6 jars in the commons area before school, during lunch and after school for donations. They asked students and teachers to donate extra change to try and fill the jars. The catch was that the teacher's jar that had the most money in it "won" and had to wear a costume all day at school. They raised \$201.28 for the Children's Center for the Visually impaired which helps children with visual impairments and multiple disabilities. To learn more about this center, you can visit [www.ccvl.org](http://www.ccvl.org).
