

THE KAY MINUTE

with Annie Diederich

December 2021

This Month:

- Area Presidents
- Area Sponsors
- KAY Plaque
- KAY Citizenship Week

Greetings! My first newsletter as your new KAY State Director and it is already December. My apologies for not getting this habit started sooner. As I navigate this first year, my goal is to look at ways to maximize communication but streamline the process. I am open to new ideas for doing this and will do my best to add those as I can. Thanks to Linsey, I have a new look for the newsletter and I will be sending this out each month. In the future, there will be links to information online, especially once the KAY Handbook is updated.

As your club celebrates KAY Citizenship Week, please tag us in your social media posts and/or send us the information to share. We want to showcase the KAY clubs across the state as they serve through leadership.

May you all have a wonderful holiday season and a very happy 2022!

KAY Plaque

Is your KAY plaque prominently displayed somewhere in your school to show everyone what your KAY club has accomplished each year? This is equivalent to a state trophy, so find a location to display this plaque proudly in your school. KAY point awards should be celebrated!
