## What's there to know about KLC?

### From campers themselves:

"At camp, I enjoyed spending time together in the cabins with my friends and making a ton of memories that will last a lifetime!" - Austin Layton

"My favorite memory was having house meetings with Linda and Chris. They always made us laugh and smile. I loved learning more about myself and those around me (friends and housemates). Lastly, the thing I loved most and what has made me the happiest is the friendships I've created. I'm still in contact with all my bunk mates and friends outside of my camp house."  
- Shelby Bussman

## WHATS GOING ON IN KAY?

- **SERVICE WITH A PURPOSE:** Yay our theme for the 2022-2023 school year is here! We can not be more excited to announce that the theme is "Service with a Purpose." This can mean so many new and exciting things. As KAY presidents, officers, or members we serve our school, community, nation, and world everyday even if those acts of service are small. Be sure to step outside of your comfort zone and even serve those in need outside of school and over the summer.
- **OFFICE ELECTIONS:** It is one of the most exciting parts of the year. Not only is it almost summer, but it is also almost time for spring officer elections. Officer elections can happen anytime in the spring or at the beginning of the school year. They may sound stressful but they don't have to be that bad. If you need some information on the different types of offices or what the duties are visit this website: [PROTOCOL/SUGGESTIONS FOR \(kshsaa.org\)](https://www.kshsaa.org/PROTOCOL/SUGGESTIONS%20FOR)
