

As part of a national project for citizenship week, the Quinter KAY organization collected gently used children's shirts to donate to the Methodist Church Mission in Costa Rica. Pictured the staff at the rural Methodist center in Ciudad Quesada Costa Rica has just finished organizing the shirts that we sent.

KAY KLIPS January, 2013

Mead & Kismet-Southwestern Heights KAY Clubs combined efforts to “Change It Up” in a fundraiser for Heifer International. Both towns put together a group of parents and faculty members to compete in a tug-o-war exhibition between the Girls’ and Guys’ varsity basketball games. KAY members from both schools passed collection cans through the bleachers and the winning town was honored in presenting the check to Heifer International from combined donations. Over \$268 was generated for this worthy cause and Kismet-Southwestern Heights KAY Club was the winning town.
