KANSAS ASSOCIATION FOR YOUTH

ISSUE NO.2

AREA 1

## Hello Area One!

It is time to start getting clubs ready for next school year! This means it is time for elections. Having a good president is important in helping to have a strong club! I encourage you all to have a set board for your club elected before the end of the year. That way they can get planning and preparing for the upcoming year.

## More Project Ideas

- Have a guest speaker come in and talk about the best ways to live a healthy lifestyle.
- Help teachers clean out classrooms for the end of the school year.
- Have a banquet for your club to take time to appreciate and recognize all members and sponsors.

## Awards:

Be Sure to complete your clubs qualifications to earn an award for the work you have done throughout the school year!

**Blue, Red, Gold**

**Don't Forget!**  
KAY Leadership  
Camp: July 26-30

## Reasons to Join KAY

KAY is a great source for people to get involved in school. KAY has allowed me to build new relationships with people I would have never met. I have gained multiple skills from KAY. I have been so involved with my community because of KAY. I have been able to help my school organize events for people to come together.

## KAY Leadership Camp

Leadership Camp is **July 26-30**. Make sure to **pack necessities!** For housing, you need to bring your own sheets and blankets. **Plan accordingly** with the activities you picked to do! Can't wait to see you at Camp!

## Summer Break

Summer is coming up, make sure to get out in the sun and do some community service. Even helping a neighbor with their outside work.
