...and other topics

Door Prizes! (MUST be present to win)

Registrations for all clinics can be found on the Registration Link:

KASBC/KSHSAA Question Validation Volunteer

KASBC works very closely with KSHSAA Assistant Director, Rod Garman, in the development and validation of the questions for the Regional and State competitions. A group of Scholars Bowl coaches with Kansas curriculum content expertise spend two days reading, validating, sorting and selecting questions for the Regional and State competition rounds. Each coach works in only one content area so the confidentiality and integrity of the questions is maintained.

Twenty four people are needed to work Validation on Friday and Saturday, November 12 and 13, 2021. The Validation Committee will meet from 10:00 AM to 5:00 PM on Friday and 8:30 until finished on Saturday at the KSHSAA building, 601 SW Commerce, Topeka, KS 66615. Coaches are selected on knowledge base, subject area, ability to work both days, and the timeliness of the return of this form indicating your interest. Proofreading is especially important in this process.

Participation in this activity counts as PDC points as "Service to the Profession." Contact your local PDC council to make this activity part of your plan and request professional leave to participate in this activity.

KSHSAA reimburses mileage, hotel stay and meals. Details will follow to those individuals who volunteer and are selected to serve. If you are interested, fill out the registration form linked above no later than 15 September 2021.

Kansas Association of Scholars Bowl Coaches

August 1, 2021

Dear Scholars Bowl Coach:

First and foremost, I want to congratulate all of you for making it thru this last year. As we start this “next normal” school year, we need to work together for our students to make this a positive year. No, we don’t really know what this season will look like, we do know that we will make it as regular as possible for our kids.

For me, part of being a better coach is being involved in the Kansas Association of Scholars Bowl Coaches (KASBC). “I want a seat at the table, not to be on the menu!” has been my quote for years. You are likely already aware of all the tangible reasons to join our organization: access to released KSHSAA state and regional questions for use in team practices; reduced rates at coaches’ clinics, participation at which eliminates the requirement to take the coaches’ test; and a potential role at question validation. Today, I invite you to join the KASBC because, in addition to such practical benefits, coaching is about relationships, both with our students and with each other.

Please join us in working together to build these networks for our kids’ and our association. Send in your membership form, follow us on Facebook, visit our website, contact your classification representative with questions and suggestions, attend a coaches’ clinic, and volunteer to work question validation. Collectively, we can build an unbelievable experience for our kids.

Sincerely yours,

Bert Lewis

Roberta M. Lewis “Bert”
KASBC President
