There will be 332 schools competing (6A = 26, 5A = 33, 4A = 35, 3A = 62, 2A = 63, 1A DIV I = 57, & 1A DIV II = 56). **Regional Entry Forms (SB-1) are due to the Tournament Manager by January 28.** The SB-1 Form can be accessed when logged-in to the KSHSAA website either in “Entry Forms” or “Activities”. Host schools have either already provided more info to schools about their regional or are in process of doing so. If you do not receive a welcome/invite from your host school, please contact them. **Be prepared to provide a worker if the host school requests it. Also, all participants and attendees are to respect and follow any COVID protocols a host school may have including mask wearing and social distancing.**

- Teams will consist of five members plus one alternate (SB-1 Form). A minimum of three must compete in any round. The alternate may be substituted between any round.
- Schools can make replacements on their SB-1 List of Regional participants.
- Should the number of teams at a regional site drop below 12, competition will be a single round-robin pool with top three teams advancing to state at 1A (Division I & II), 2A, & 3A Regionals, and top four teams at 4A, 5A, & 6A.

Regional Tournaments (All Classes) – Round-Robin Format of Competition

Round-robin competition will take place in each pool of schools with each school meeting every other school in that pool. In regional competitions, if the number of competitive teams is fewer than 12, competition will be a single round robin pool. Prior to the regional tournaments the KSHSAA will draw for pool assignments and order. At the end of the round-robin pool play competition, the top three (3) schools from each pool will advance to the championship final round-robin competition. Pool play winners are teams with the best win-loss records. In the event of ties, see “Breaking Ties” on pages 11-12 of the Scholars Bowl Manual. First-, second- and third-place teams in each pool advance to the championship round-robin competition. Advancing schools will draw by lot their competition order (A, B, C, D, E or F). Tiebreaking procedures for the championship final round-robin competition will use the championship final round-robin matches only, not the pool play rounds.

STATE CHAMPIONSHIPS = SATURDAY, FEBRUARY 12

Classes 4A, 5A, and 6A regionals advance four teams to the state tournament for a total of eight qualified teams vying for a state championship in each classification. State 4A, 5A and 6A Tournaments – Round-Robin and Final Bracket Format of Competition

In 4A, 5A and 6A state tournaments a single pool of eight (8) teams will be conducted. At the end of the round-robin pool play competition, the top four (4) schools in the pool will advance to the championship final bracket competition. The first-place team will meet the fourth-place team, and the second-place team will meet the third-place team. The winners in each bracket will meet to determine first and second place, and losers will meet in the consolation for third and fourth.
