UNITED STATES OLYMPIC COMMITTEE SPONSORED NATIONAL TRIALS AND COMPETITIONS

Section 1: General Regulations (apply to grades 7-12)

Art. 1: Notwithstanding the other rules of the KSHSAA, a student may participate as an individual (not representing his or her school) without loss of interscholastic eligibility:

- a. as a member of a National Team (and the actual, direct tryouts therefore), which is defined as one selected by the national governing body of the sport on a national qualification basis either through a defined selective process or actual tryouts for the purpose of international competition which requires the entries to officially represent their respective nations, although it is not necessary there be team scoring by nation; or
- b. in an Olympic Development Program, which is defined as a training program or competition:
 - (1) conducted or sponsored by the United States Olympic Committee (USOC); or
 - (2) directly funded and conducted by the USOC member national governing body (NGB) on a national level (e.g. NGB national championship competition and the direct qualifications therefore); or

PROVIDED, HOWEVER, participation as described in (a) and (b) above is an exception to the other rules of the KSHSAA only if:

- (1) the participation, if during the school year, is approved by the student's high school principal, and the KSHSAA is notified in writing by the principal at least 30 days prior to the start of the program; and
- (2) the student makes prior arrangement to complete missed academic lessons, assignments and tests before the last day of classes of the credit grading period in which the student's absence occurs; and
- (3) the student misses no KSHSAA-sponsored postseason athletic event involving a team in that sport.
