Groovy! Hope your school comes to celebrate PEACE ~ LOVE ~ STUCO at a Fall Regional Student Council Conference near you! These half-day (8:30-11:45 a.m.) leadership conferences are for both high school and middle school students and advisors. Login at [www.kshsaa.org](http://www.kshsaa.org) to register using the STU-1 entry form. The registration fee is \$10 per student; advisors are free. Come ready to engage, learn, and have some STUCO fun!

This year's Keynote Speaker is Ben Grannis, a cyclist with a spin on life everyone needs to hear. His Eyes Up message inspires audiences to Look, Listen, and Live, while giving them practical steps they can implement immediately to live life more fully – and less distracted. Learn to be present, living in the moment, as you lead others!
