

OLYMPIC DEVELOPMENT PROGRAM - KSHSAA RULE #4

Member Schools may apply per KSHSAA Rule # 4 – ODP (Olympic Development Program) for their athletes to participate in these United States Swimming and Diving sanctioned meets (2024-25):

KSHSAA Member Schools must apply by writing a letter on school letterhead, 30 days prior to the event, requesting approval for their athletes to participate in the USA meet. The letter must be signed by: Principal, Athletic Director, Scholastic Swim Coach, and Athlete. These meets will count towards the limit of 10 meets for a season.

A member of a high school swimming & diving team may NOT compete in an outside USA/Club Meet that is NOT on the ODP Approved List during their high school season. If an athlete violates KSHSAA Rule 22, he/she is ineligible for the remainder of the season (no more practice or competition with a high school team) unless he/she is reinstated by the KSHSAA Executive Board.

Please remember any swimmer/diver wanting to compete in a USA/Club Meet on the ODP/USA Approved List during the regular season must first receive permission from the school. Then, the school must submit a request for approval to the KSHSAA and receive approval from KSHSAA prior to the event.

Art. 1: Notwithstanding the other rules of the KSHSAA, a student may participate as an individual (not representing his or her school) without loss of interscholastic eligibility:

- a. as a member of a National Team (and the actual, direct tryouts therefore), which is defined as one selected by the national governing body of the sport on a national qualification basis either through a defined selective process or actual tryouts for the purpose of international competition which requires the entries to officially represent their respective nations, although it is not necessary there be team scoring by nation; or
- b. in an Olympic Development Program, which is defined as a training program or competition:
 - (1) conducted or sponsored by the United States Olympic Committee (USOC); or
 - (2) directly funded and conducted by the USOC member national governing body (NGB) on a national level (e.g. NGB national championship competition and the direct qualifications therefore); or

PROVIDED, HOWEVER, participation as described in (a) and (b) above is an exception to the other rules of the KSHSAA only if:

- (2) the student makes prior arrangement to complete missed academic lessons, assignments and tests before the last day of classes of the credit grading period in which the student's absence occurs; and
