

## Week 6 – September 20, 2022

### Regional Tennis Assignments

I truly appreciate everyone's patience in waiting for the regional assignments to post. Hopefully as more communities continue to add tennis facilities the ability for more schools to host will increase. Thank you to those schools that are allowing other districts to host at their site. Here is the link to the regional tennis assignments. <https://www.kshsaa.org/Public/Tennis/GirlsAssignments.cfm>

### Win/Loss Records – Please make this a priority!

Coaches are expected to record the competition information for their players. The KSHSAA has a link on the front right-hand side page of the tennis page to record this online information. Be sure to record results for all regular season competition as well as regional and state competition at the end of the season. Results are archived at this location from previous years.
