

## Week 8 – October 3, 2022

### **Regional Tennis Week**

The time is here, and we are ready to host regional tennis across the state starting on Friday, October 7 and ending on Saturday, October 8. If you are a regional host site, please submit the regional winners as soon as possible so that information can be prepared for the seeding meetings on Tuesday, October 11. Here is the link to the regional tennis information on the KSHSAA website. Good luck to all teams as they finish this 2022 season and move into regionals.

### **Recording of Matches**

If a singles player or a player in a doubles team is injured and cannot complete the rest of the matches for the day, the matches beyond that do not count as wins/losses and should not be recorded. Byes in the regular season are also not counted on a record. Byes are only counted in the postseason.
