Tuesday, September 13, 2022  
Wednesday, September 14, 2022

The Executive Board met in the office of the Kansas State High School Activities Association on Tuesday and Wednesday, September 13-14, 2022, with the following in attendance: President Roger Perkins, David Abel, Justin Briggs, Mike Kastle, Ben Mitchell, Tammie Romstad, Justin Seuser, Sean Spoons, Delvin Strecker, Drew Thon, Paul Zuzelski, and Bill Faflick, Executive Director. Assistant Executive Directors Francine Martin, Mark Lentz, Jeremy Holaday, Craig Manteuffel, Rod Garman, Annie Diederich, Kyle Doperalski and Director of Operations Brent Unruh were also present. Member Deena Horst was absent due to a schedule conflict with the Kansas State Board of Education meeting.

## CONSENT AGENDA ITEMS

The following items were all approved unanimously via consent:

- Minutes of the June 15-16, 2022 Executive Board Meeting.
- Items approved by KSHSAA staff on behalf of the Executive Board. (***A list of these items may be found at the end of these minutes.***)
- Conflict of Interest Statements signed by Executive Board members.
- **Middle/Jr. High At-Large Appointment** – Per **Bylaw Article IV, Section 5**, following resignation from the Board of Directors by middle/junior high school at-large representative Brandon Simmelink due to a change in position, the Board appointed Principal Connie Redic from Wichita-Curtis Middle School to fill the one-year unexpired term (2022-23).

## ADMINISTRATIVE REPORTS AND UPDATES

The Board received financial and administrative reports from Executive Director Bill Faflick, Assistant Executive Directors Francine Martin, Mark Lentz, Jeremy Holaday, Craig Manteuffel, Rod Garman, Annie Diederich, Kyle Doperalski and Office/Operations Manager Brent Unruh.

## 2021-22 AUDIT REPORT APPROVED

Staff presented the Executive Board with the annual certified audit report prepared by Wendling, Noe, Nelson, & Johnson L.L.C. of Topeka. Eric Otting, CPA, represented the accounting firm by providing a review of the clean audit and the Board voted unanimously to approve the audit report. The report will be printed in the next issue of the *KSHSAA Activities Journal*.

## NFHS SUMMER MEETING

Staff and members of the board who were in attendance at the NFHS Summer meeting held June 28-July 2 in San Antonio discussed their learning and networking experiences realized as part of engaging in this professional development opportunity. Important topics discussed included student health and safety, team building amongst Board members, emergency preparedness, middle/junior high school activities, diversity and inclusion, NIL, and many more topics.

## HIGH SCHOOL LEAGUE ASSIGNMENT REQUESTS

Based on action of the Executive Board at the April and June meetings, administrative representatives of Central Christian School of Wichita and Classical School of Wichita appeared before the Executive Board seeking league assignments for their respective schools. The Board granted this hearing based on repeated unsuccessful efforts by these schools to secure league affiliation during the last two years.

Following individual presentations by each of the schools, administrative representatives of the Heart of America, Heart of the Plains, South Central Border and Wheat State Leagues presented information regarding the status of their leagues and their position on the potential assignment of any new member school. Following presentations, the Executive Board approved assigning both Central Christian School of Wichita and Classical School of Wichita to the Heart of America League beginning with the 2023-24 school year.

All parties were reminded in accordance with KSHSAA **Bylaw ARTICLE XV, League Affiliation**, schools are not permitted to withdraw from a league to which a school has been assigned for a period of three years without a unanimous vote by all member schools of the league including the newly assigned member school. All schools were reminded existing game contracts shall be honored as they proceed to incorporate the newly assigned schools into their respective leagues.

## TRANSFER RULE 18 – FOREIGN STUDENTS

Per Handbook **Rule 18-1-12**, the Executive Board is charged with evaluation and approval for agencies sponsoring foreign exchange students. Historically, this approval is based upon delegation of review by the Council on Standards for International Educational Travel (CSIET), of which the KSHSAA is a member. The Executive Board may consider additional programs for approval in unique circumstances and one program came forward at the beginning of the school year to request approval consideration. **Children Around the World** sponsors two Kansas students this year. Prior to this year, CATW was a CSIET approved agency, but for this year they were not approved due to lack of students during the Covid school years and affordability for becoming a CSIET member. Following discussion, the Board took no action to add CATW as an approved agency, leaving their sponsored students as eligible for non-varsity in KSHSAA sponsored activities.

## MONITOR KSBOE MEETING

The Kansas State Board of Education conducted a public hearing for the proposed KSHSAA Classification amendment relative to public/private school weighting factors at their August meeting. At the September meeting, they will make a decision regarding the request to forward the proposed amendment to the legislature or to deny the request. As the State Board meets at the same time the Executive Board is meeting, we will monitor their agenda and listen when the Classification item is being discussed. Following the decision by the State Board, the Executive Board and staff will review next steps if the proposal is approved or rejected by the State Board.

## OUTSIDE COMPETITION RULE 22

Based upon a request from the Kansas Bowling Proprietors Association (KSBPA) seeking relief from **Outside Competition Rule 22** for students participating in Unified Bowling, the Executive Board engaged in extended discussion. For the first year of Unified Bowling, a special exemption was provided students to participate in select tournaments while a member of the unified school team. This was made possible by action of the Board of Directors during a special meeting on October 15, 2021. The KSBPA representatives maintain the perspective that Unified Bowling is significantly different than interscholastic bowling and should not be considered a violation of **Outside Competition Rule 22**. Following discussion, a motion was made to consider Unified Bowling as a separate activity from interscholastic bowling, which would allow students to participate in KSBPA sponsored interscholastic bowling tournaments and league play during the Unified Bowling season. The motion failed.

## REVIEW OF TRANSFER HARDSHIP APPLICATION

The KSHSAA has received a hardship application from a member school requesting eligibility for a spring activity. The transfer involves a student coming to a member high school from a non-member home school curriculum where the family requested a hardship exception. Following a review of the circumstances around this transfer, the Board voted to deny the hardship exception and confirmed the decision of the Executive Director to approve non-varsity eligibility to the student based on **Rule 18-1-4, Transfer from a Non-Member School**.

### REVIEW OF STUDENT ELIGIBILITY

A member school asked the KSHSAA to consider extenuating circumstances for a senior student who has been declared ineligible for the fall semester. Additional information on the background for the ruling was provided to the Board who confirmed the correct application of KSHSAA rules and the student is ineligible for participation in all KSHSAA activities for the fall semester.

### INSIDE OUT COACHING INITIATIVE

The KSHSAA has been approached by the Inside Out Coaching leadership team including Joe Ehrmann and Jodi Redman. Under a sponsorship with the Kansas City Chiefs and the National Football League, the Inside Out Coaches group would provide free training for coaches in all KSHSAA member schools. Staff provided an update on this opportunity.

## EXECUTIVE SESSION

At the request of the Executive Director, the Board entered Executive Session to discuss matters related to non-appointed personnel.

## 2022-23 BUDGET APPROVED

Following a hearing held on Wednesday, September 14, 2022, at 11:30 a.m. in the office of the KSHSAA, the Executive Board unanimously approved the KSHSAA budget for the 2022-23 school year and authorized its publication and distribution to member schools.

Details concerning each of the charts of accounts listed are available upon request. A summary of the approved budget will be included in the next issue of the KSHSAA Activities Journal.
