

Kansas State High School Activities Association

Minutes

Executive Board Meeting
KSHSAA Board Room
Tuesday, September 17, 2024
Wednesday, September 18, 2024

**Note: Minutes are subject to approval by the Board at its next meeting.*

The Executive Board met in the office of the Kansas State High School Activities Association on Tuesday and Wednesday, September 17-18, 2024, with the following in attendance: President Casey Seyfert, David Abel, Geoff Andrews, Eric Cooper, Shelby Green, Alan Penrose, Jim Porter, Travis Powell, Connie Redic, Donald Raymer, Sara Richardson, Delvin Strecker, and Bill Faflick, Executive Director. Assistant Executive Directors Mark Lentz, Jeremy Holaday, Rod Garman, Kyle Doperalski, Sarah Smith, Megan Hagaman, Director of Operations Brent Unruh, and Director of Officials Scott Goodheart were also present. Board member Gina Knapp was absent.

CONSENT AGENDA ITEMS

The following items were all approved unanimously via consent:

- Minutes of June 12-13, 2024, Executive Board Meeting.
- Items approved by KSHSAA staff on behalf of the Executive Board. **(A list of these items may be found at the end of these minutes.)**
- Conflict of Interest Statements signed by Executive Board members.

ADMINISTRATIVE REPORTS AND UPDATES

The Board received financial and administrative reports from Executive Director Bill Faflick, Assistant Executive Directors Mark Lentz, Jeremy Holaday, Rod Garman, Kyle Doperalski, Sarah Smith, Megan Hagaman, Director of Operations Brent Unruh, and Director of Officials Services Scott Goodheart.

SPORTSMANSHIP/BEHAVIOR DISCUSSION

As part of the report provided by Assistant Executive Director Mark Lentz, the Board reviewed information regarding football game ejections after the first two weeks of play. This number has grown in recent years. The Board discussed the Association policy for ejections as well as some member school policies which require an ejected player or coach sit out the next contest anytime an ejection occurs. While administrative reports are generally information only items, the Board asked staff to research district or league policies, as well as policies from other states, which impose a suspension after ejections and any appeal processes for discussion at the next meeting of the Executive Board.

2023-24 AUDIT REPORT APPROVED

Staff presented the Executive Board with the annual certified audit report prepared by Wendling, Noe, Nelson, & Johnson L.L.C. of Topeka. Cameron Werth, CPA, represented the accounting firm by providing a review of the clean audit and the Board voted unanimously to approve the audit report. The report will be printed in the next issue of the *KSHSAA Activities Journal*.

NFHS SUMMER MEETING

Executive Board members and staff who attended the 2024NFHS Summer meeting in Boston discussed their learning and networking experiences as part of engaging in this professional development opportunity. Topics of discussion included safety and security at championship events, judges/officials

implicit bias training, the use of artificial intelligence, mental health/wellness of coaches, classification protocols, and roundtable discussions with peers. During the networking with other states, the Board members noted the quality and professionalism of the Kansas Association staff compared to other states. The board supports continued investment in this professional development opportunity.

BASKETBALL

Staff provided the Board with an update on the RFP (request for proposal) process being used to secure venues for combined state basketball tournaments which will begin in March 2025. During discussion, the Board was provided with drafts of possible gametimes when comparing the current days of play versus adding an additional day. The Board unanimously confirmed planning to incorporate four playing dates in 2025 (congruent to current number of days) as opposed to extending the tourneys by adding more play dates. As the RFP process continues, KSHSAA staff will formulate playing time schedule options for the Board to review along with the locations of each classification.

REGIONAL ADMINISTRATOR MEETINGS

A review was given of the Regional Administrator Meetings to be held in October.

Staff reviewed current topics and protocol for the meetings. These meetings will be held throughout the state during the month of October. The dates for these meetings and topics as previously determined to be reviewed are as follows:

2024 Meeting Dates

Monday, October 21

Tuesday, October 22

Wednesday, October 23

Thursday, October 24

Monday, October 28

Tuesday, October 29

Wednesday, October 30

Locations

Topeka, KSHSAA Office

Salina-South High School

Oakley High School

Dodge City USD 443 District Office

Blue Valley USD 229 District Office

Maize-South High School

Fort Scott High School

Meeting Topics

1. **(Golf)** Should Regional assignments be seeded geographically?
2. **(General)** Quasi-Team sports – should factors other than geography be used in establishing regional assignments?
3. **(General)** Team sports – should something other than W/L record be used in establishing postseason ranking?
4. **(General)** Should eSports be a sanctioned non-athletic KSHSAA activity?

Following discussion, the Board proposed the following topic for addition to the Regional Meeting agenda:

5. **(General)** Possible ejection policy modification.

The vote tabulations and discussion highlights will be provided to the Executive Board at their November meeting at which time they will formulate the next steps for each respective item.

ELIGIBILITY HEARING

The Executive Board conducted an eligibility appeal from parents Shawna Johns and Waylon Johns for their son, a junior transfer student to Pomona-West Franklin High School from Ottawa High School. The appeal is from the KSHSAA Executive Director's determination of ineligibility for varsity level activities based on **Rule 18, Transfer, Section 1, Article 13 – Hardship**. Eligibility was provided at the non-varsity level through **Rule 18-1-6 – Possible Limited Eligibility**. Following prescribed hearing protocol, the board upheld the initial determination by the KSHSAA and determined that the hardship application did not meet the standard of the transfer rule as defined in **Handbook Rule 18-1-13**.

ELIGIBILITY HEARING

The Executive Board conducted an eligibility appeal from parent Quinique Ivory for her son, a sophomore transfer student to Kansas City-Bishop Ward High School from Kansas City-Wyandotte High School. The appeal is from the KSHSAA Executive Director's determination of ineligibility for varsity level activities based on **Rule 18, Transfer, Section 1, Article 13 – Hardship**. Eligibility was provided at the non-varsity level through **Rule 18-1-6 – Possible Limited Eligibility**. Following prescribed hearing protocol, the board overturned the initial determination by the KSHSAA and determined that the hardship application did meet the standard of the transfer rule as defined in **Handbook Rule 18-1-13**.

PENALTY FOR USING AN INELIGIBLE PLAYER

Staff forwarded a question to the Board from a member school regarding the penalty, beyond forfeiture, should a school intentionally play a student deemed ineligible. The school is seeking some playing time this fall for a middle school transfer student from a non-member school who was not rostered on a team last year. The school feels no competitive advantage would be gained and noted limited sub-varsity opportunities. Following discussion on **Handbook Rule 27 – Forfeiture and Restitution, Section 1, Article 3**, the Executive Board gave a unanimous decision that any intentional violation of Association rules could result in penalties up to and including removal from Association membership. As any application of **Rule 27** may be uniquely applied, any school intentionally playing an ineligible player would be required to appear before the Executive Board for such determination (per **Rule 27-1-3(c)**).

TRANSFER ELIGIBILITY – CONFIRMATION OF INTERPRETATIONS

Staff presented the following scenarios related to transfer-eligibility for discussion and confirmation of rule interpretation. These address student transfers between non-public schools and member schools. Specific scenarios include:

- a. A student has been enrolled/attending a member school as an out of district student and participating in activities. The student withdraws from school for home-school education and would like to continue participating on the team in which he/she has been playing. What options exist for any season underway? For other activities? For future seasons?
Determination: Per statute and adopted KSHSAA rule, the non-district student is not eligible to continue participating at the current school as a virtual or homeschool student. Even if the student remains in one class, the student is not eligible. The students would have eligibility at their local public school starting in the next season.
- b. When a student leaves school during the course of an existing season and enrolls in a nonpublic school, what is the eligibility status in an activity in which the student had been actively rostered? Status for other sports in season? Status for future seasons?

Determination: A student who leaves the school (no longer attending the school) during a season that is underway is not eligible to continue in the specific activity in which they were currently rostered. If the student intends to participate in different activities (not yet underway), they may pursue eligibility at the local public school by completing the virtual/non-public school eligibility application. They will not have eligibility in the same activity in the same school year at any school.

- c. A nonpublic school student has been participating in activities at their local public school. The student decides to enroll in the school. What eligibility is appropriate in the first year of being enrolled in the school? *Is it activity specific?*

Determination: The student will be eligible at the non-varsity level per 18-1-4. The exception provided in 18-1-4 only applies to specific activities in the year after they participated in a full season of that activity at the school they now attend.

- d. A non-member school student enrolls in a member school for the first time. The student has not been participating in activities as a nonpublic school student. What eligibility is appropriate?

Determination: Per 18-1-4, the student is eligible at the non-varsity level in all activities. There are no exceptions even if the school does not offer the activity at the non-varsity level. In that case, an underclass student may participate in practice, but no games. Seniors may not practice as they do not have potential future eligibility in that activity.

- e. Should students transferring from a non-member school, as seniors or those attending a small school, be exempt from the restriction detailed in 18-1-4?

Determination: No. There is no provision for an exception to 18-1-4 based upon the grade of the student, the size of the school, or the levels of activity offerings at the school.

REQUEST FOR APPROVAL

The administration of a member school has requested the KSHSAA add the National Speech and Debate Association (NSDA) *Last Chance Qualifying Tournament* to the roster of approved competitions for member schools. The grandfathered list from the NASSP is a master list of longstanding approved events (the NASSP no longer evaluates/approves competitions). The *Last Chance Qualifying Tournament* is new and maintains many characteristics similar to other events already on the list. It is an online tournament which does not disrupt the school day, and it is sponsored by an organization which has been trusted by debate and speech coaches across the state. The competition is typically held in late April. The Board voted unanimously to approve the addition of the NSDA *Last Chance Qualifying Tournament* to the list of approved events.

BOARD OF DIRECTORS MEETING PREVIEW

The Executive Board reviewed the agenda for the upcoming Board of Directors meeting. Discussion included expectations relative to the breakout session, a general overview of respective agenda items, the introduction of respective agenda items, and the digital voting protocol.

SPORTSMANSHIP AWARD CHANGES

Historically, the KSHSAA has provided the opportunity for state basketball tournament schools to earn Sportsmanship Awards. State tourney schools were rated by judges assigned to

respective tournaments who evaluated the teams (players and coaches), spirit squads, pep bands, and crowds, all based upon an established rating rubric. Teams who played in the quarterfinals were eligible to receive a Sportsmanship Certificate, and teams who participated in the semifinals/consolation/championship games were eligible to earn plaques. As an alternative to the historic sportsmanship awards, staff proposed to the Board consider a program inclusive of all basketball playing schools (as opposed to only the state qualifiers). In an effort to impact more students and school communities, the new option allows each league/conference to identify a **KSHSAA Basketball Sportsmanship League/Conference Champion**. As the basketball regular season concludes, member schools would select their "League Sportsmanship Champion" which is inclusive of the girls and boys teams (players and coaches), spirit squads, pep bands, and crowds based upon regular season basketball contests as evaluated by the adopted sportsmanship rubric. Each League/Conference Champion will be awarded a championship trophy. Following discussion impact, financial considerations, voting mechanism, and selection criteria, the Board voted to transition from the current state basketball sportsmanship awards to a season-long league sportsmanship champion for the activity of basketball beginning with the 2024-25 season. Following the implementation during the upcoming basketball season, the Board will revisit the transition for any changes and/or expansion prior to the 2025-26 school year.

2024-25 BUDGET APPROVED

Following a hearing held on Wednesday, September 18, 2024, at 11:30 a.m. in the office of the KSHSAA, the Executive Board unanimously approved the KSHSAA budget for the 2024-25 school year and authorized its publication and distribution to member schools.

Details concerning each of the charts of accounts listed are available upon request. A summary of the approved budget will be included in the next issue of the *KSHSAA Activities Journal*.

EXECUTIVE SESSION

At the request of the Executive Director, the Board entered an Executive Session to discuss matters related to non-elected personnel. The Executive Board recessed from 8:30 a.m. until 8:47 a.m. on Wednesday, September 18. Following Executive Session, the Board voted unanimously to modify the health insurance component for Association staff.

NEXT MEETING

The next regularly scheduled meeting of the Executive Board will be held on:

Wednesday, November 20 – 10 a.m. – 5 p.m.

Thursday, November 21 – 8:30 a.m. – 1 p.m. (tentative)
