This will be a topic for the October Regional Administrator meetings.

GIRLS WRESTLING UPDATES

The Executive Board approved adoption of updates to have four two-day regional tournaments and a two-day single class state tournament with 16 girls qualifying per weight class. - B. Warm up procedure regular season is at the discretion of the host school and/or league policy; it is not under the jurisdiction of match officials.
- C. The State Tournament time schedule was adjusted to allow the Saturday time schedule to begin one hour earlier with session one starting at 9:00 a.m. and session two starting at 1:00 p.m.

VIRTUAL DEBATE

The Executive Board reviewed the proposal provided by the KSCA to allow for virtual debate to occur should the need exist in the upcoming school year due to impact of COVID-19 on this activity. Following discussion, and clarifications provided by staff and from Tim Ellis (Debate/Speech coach from Auburn-Washburn Rural HS), the Board approved virtual debate competition for the upcoming year noting that the 500 road mile competition rule would still be applicable.

The Executive Board approved the implementation of a "zone mileage reimbursement" protocol for regional and substate officials assignments.

CROSS COUNTRY REIMBURSEMENT POLICY

The Executive Board approved modifications to the process detailing compensation for regional cross country host sites to allow for a more equitable manner of the distribution of receipts.

SCHOLARSHIP AND TRANSFER ELIGIBILITY

The Executive Board approved following recommended interpretations:

- A. It is not considered an approved hardship transfer for a student changing schools when a school does not offer an activity or level of activity.
- B. Scholarship eligibility for the fall shall be based upon criteria established at the school attended by the student in the spring of 2020. Specifically, a transfer student may not gain scholarship eligibility when they transfer to a school with a lesser standard, nor may a student lose eligibility when the new school has a higher level of academic accountability (applicable only to the fall of 2020).
- C. For the purposes of Handbook Transfer Rule - **Rule 18-1-6 Possible Limited Eligibility**, a student shall not be considered rostered in any spring activity for the spring of 2020 (applicable only for the 2020-21 school year).

SPORTSMANSHIP

A staff committee met to discuss and plan upgrades to sportsmanship efforts to be implemented with the new school year. Work includes significant upgrades to the Sportsmanship Manual, including the development of a sportsmanship social media campaign to be implemented this next year. The Sportsmanship Manual will include user ready resources for member schools and leagues.

PUBLIC/PRIVATE DISCUSSION

The Executive Board reviewed the preliminary results from the Classification survey distributed to member school principals to gather input regarding preferences for possible rules proposal regarding the process used to classify schools. The Executive Board also reviewed recent correspondences, news reports, and championship data regarding public/private schools.

CPR/AED TRAINING FOR COACH/SPONSORS

When there is a demonstrated need, and only upon specific request, the Executive Board approved staff to suspend, for one year only, the hands-on/in-person requirement for coach/sponsor CPR/AED training. This is for unique circumstances in communities where face to face instruction is not possible and would only be extended to schools requesting the exception based upon demonstrated needs.

KSHSAA HANDBOOK UPDATES AND BOD AGENDA DEVELOPMENT

ADVISORY GROUP RECOMMENDATIONS

Each year, the Kansas Association of Scholar's Bowl Coaches (KASBC), the Kansas Coaches Association (KCA), the Kansas Interscholastic Athletic Administrators Association (KIAAA), the Kansas Music Educators Association (KMEA), and the Kansas Speech Communications Association (KSCA), survey their membership and develop proposals. These recommendations are tabled and published in the April Executive Board meeting minutes to allow member schools to discuss them and provide feedback. Final discussion and action on all recommendations is undertaken in the June meeting by the Executive Board.

Recommendations Adopted

The following recommendations, submitted by various advisory groups were approved by the Executive Board:

Bowling

1. Remove jewelry from the inappropriate attire list in the KSHSAA manual. ***This would not include smart watches, as they will fall under the category of cellular devices. (KCA)***

Rationale:

- *Jewelry does not inhibit an athlete from competing in the sport of bowling. Therefore, jewelry should be removed from the inappropriate attire list.*
- *By striking this from the KSHSAA manual, the decision of wearing jewelry will be left to the discretion of the coach.*

2. Bowlers who are in violation of KSHSAA Bowling Manual policies regarding: possession/use of a cellular device in the competition area; possession/consumption of food/drink (other than water) in the competition area; use of inappropriate/vulgar language or obscene gestures; inappropriate attire; shall be penalized as follows: **(KCA)**

- **1st Penalty** – Verbal warning from coach. (The coach of the violating bowler/school will be notified by the meet manager regarding the violation and will address the issue with his/her bowler within a reasonable amount of time.)
- **2nd Penalty** – Bowler will receive zeroes until in compliance with the violated rule.
- **3rd Penalty** – Bowler will be removed from the tournament/event.
- **Automatic Removal** – Bowler will be automatically removed from the event if damage is caused to the bowling center or its equipment, or if any instances of threats or intimidation occur.

Note: Bowlers that are not attired appropriately will not be allowed to compete.

Rationale: There are many good policies in place, but no consequences for violations.

Golf

3. **(Girls and Boys)** Allow up to two salaried school employed coaches to coach at Regional and State. **(KCA)**

Rationale:

- There are now more 1A teams with the change in classifications.
- Coaches can now coach anywhere except the green, the assistant coaches would like to be able to coach during tournaments. All other sports allow assistant coaches to coach, they would like to be able to do the same.

Tennis

4. Eliminate the current rule concerning caps and visors being worn forward. Depending on sunny and/or windy conditions, players often flip their hats around when they change ends of the court. Hats/Visors are to be worn either forward or backwards. They may not be worn inside out nor with the bill worn to the side. **(KCA)**

Rationale:

- This has been an ongoing proposal. The coaches support the change.
5. Eliminate “A player suffering from a treatable medical condition equals one (1) medical time-out of three (3) minutes for treatment of that medical condition.” Leave current language in the tennis manual to read: “If needed, a player or doubles team is allowed one 10 minute time out per match, per injury.” **(KCA)**

Rationale:

- To simplify the administration of the rule for the tournament director and coaches, this allows for only one (1) medical time out per match, if needed.
6. Add “Before 12 point Tiebreaker – 90 seconds max”. **(KCA)**

Rationale:

- The tiebreaker determines who wins the set and or match. Coaches often times may have more than one match playing on site or at another site. This allows the coach to talk with their players at a crucial time and may be the only opportunity the coach has had to talk to the players.

Wrestling

7. **(Boys)** Should the KSHSAA change the format for 5A/6A State Wrestling quarterfinals matchup to a seed/geographic match up as noted below? **(KIAAAA)**

Rationale:

Class	Yes	Yes%	No	No%
6A	33	94.3%	2	5.7%
5A	29	100.0%	0	0.0%
TOTAL	62	96.9%	2	3.1% PASS

*Explanation: State Tournament Brackets for Classes that have Super Regionals (5A and 6A) should follow this format. TOP QUARTER - East 1st vs. West 8th; East 6th vs. West 3rd. SECOND QUARTER - East 4th vs. West 5th; East 7th vs. West 2nd. **The Bottom Half of the Bracket would be the same place just switch East and West.*

General

8. Should the mandated summer moratorium involve just one school calendar week (SCW #52), not 2/5's or 3/5's of two separate SCW's? **(KIAAAA)**

Rationale:

Class	Yes	Yes%	No	No%
6A	23	63.9%	13	36.1%
5A	22	75.9%	7	24.1%
4A	23	88.5%	3	11.5%
3A	26	86.7%	4	13.3%
2A	17	68.0%	8	32.0%
1A	13	76.5%	6	23.5%
MS	19	67.9%	9	32.1%
TOTAL	143	73.7%	51	42.2%

NOTE: approved with modifications - Future Summer moratoriums will be Monday-Sunday; for Summer 2021: Monday June 28 through Sunday, July 4, 2021.

Staff note: Start moratorium on a Monday with week inclusive of the 4th of July

Items Referred To Board of Directors Meeting

The following recommendations, which were submitted by advisory groups, will be submitted for consideration at the next Board of Directors meeting:

None

Items Referred To Fall Regional Administrators and Board of Education Meetings

The following recommendations, which were submitted by advisory groups, will be submitted for consideration at the Fall Regional Administrators and Board of Education Meetings:

Bowling

1. Should the KSHSAA adopt Unified Sports Bowling as a fully endorsed KSHSAA sport, consistent with KSHSAA/NFHS rules regarding Unified sports? **(KIAAAA)**

Rationale:

Class	Yes	Yes%	No	No%
6A	21	63.6%	12	36.4%
5A	24	85.7%	4	14.3%
4A	10	41.7%	14	58.3%
3A	29	100%	0	0.0%
2A	21	100%	3	0.0%
1A	14	100%	0	0.0%
TOTAL	119	79.9%	30	20.1% PASS

Football

2. **(8-Player)** Change the format of Districts to place teams into 1st round pools of four. The 1st round pool will still be seeded as a 1v4, 2v3 match up with the winners moving on to face each other in the 2nd round. There will be one team from each district making up these pools of four teams. The district assignments, district point system, and cross-district alignments would not be changed at all. **(KCA)**

Rationale:

- *This format will bring new cross-district matchups into the 2nd round of the playoffs and push any potential district rematch back to the Sectional round.*

Recommendations Denied

The Executive Board voted to deny the following recommendations, which were submitted by various advisory groups, etc.:

Baseball/Softball

1. Should the KSHSAA change the state baseball and softball brackets format for Classes 4A, 5A and 6A to an east/west cross bracket matchups for the first round of the 8-team state tournament? **(KIAAA)**

Rationale:

Class	Yes	Yes%	No	No%	
6A	15	45.5%	18	54.5%	
5A	20	69.0%	9	31.0%	
4A	20	76.9%	6	23.1%	
TOTAL	55	62.5%	33	37.5%	FAIL

**NOTE: Still will take this proposal through to KSHSAA because two of three classes had sound majority passing.*

Basketball

2. Should the KSHSAA change the state basketball brackets format for Classes 4A, 5A and 6A to an east/west cross bracket matchups for the first round of the 8-team state tournament? **(KIAAA)**

Rationale:

Class	Yes	Yes%	No	No%	
6A	15	45.5%	18	54.5%	
5A	20	69.0%	9	31.0%	
4A	20	76.9%	6	23.1%	
TOTAL	55	62.5%	33	37.5%	FAIL

**NOTE: Still will take this proposal through to KSHSAA because two of three classes had sound majority passing.*

Football

3. **(1A, 8P-DI, 8P-DII)** Should the KSHSAA change their policy/practice/procedure of postseason football alignment for 1A, 8-Player Division I, and 8-Player Division II? **(KIAAA)**

Rationale:

Class	Yes	Yes%	No	No%	
TOTAL	21	75.0%	7	25.0%	PASS

Proposed Change: The new playoff format would place teams into first round pools of four (resembling the 3-2-1A State Wrestling format). The first-round pools would feature a #1, #2, #3, and #4 seed from four different districts. For example, District 5 #1 would host District 6 #4 and District 7 #2 would host District 8 #3. This format will bring new cross-district matchups into the second round of the playoffs and push any potential district rematches back to the third round (Sectionals).

Golf

4. **(Girls and Boys)** Before Regional teams are assigned, schools let KSHSAA know if they are bringing a full team or not. For Girls by SCW 13 and Boys by SCW 43. **(KCA)**

Rationale:

- *KSHSAA could assign an even number of full teams per Regional.*

(Note: would like to take Quasi Team state qualifying procedures to Regional Administrator Meetings to discuss)

No Action Items

The Executive Board took no action on the following items, because it is existing policy or because no action is necessary.

Golf

1. **(Girls)** Manual Change Recommendation: USGA local rule at girls Regional and State sites for Lost Ball and Out of Bounds. **(KCA)**

Rationale:

Pace of play and consistency. Girls have been playing by those rules during the season and this would keep rules the same.

Wrestling

2. **(Girls)** Wrestlers weigh in wearing their Competition Singlet/2-piece uniform, the same way girls do for USA Wrestling and other national events currently. **(KCA)**

Rationale:

- *This would allow any official to weigh in girl wrestlers.*

3. Should the KSHSAA add to the of NFHS Wrestling Weigh-In Rule 4-5-7, by requiring all wrestlers, male and female to weigh in at competition wearing an unaltered competition uniform (Singlet with Straps up or Fight Shorts/Compression Shirt)? (KIAAA)

Rationale:

<i>Class</i>	<i>Yes</i>	<i>Yes%</i>	<i>No</i>	<i>No%</i>
6A	31	91.2%	3	8.8%
5A	28	96.6%	1	3.4%
4A	26	100.0%	0	0.0%
3A	29	90.6%	3	9.4%
2A	24	100.0%	0	0%
1A	15	100.0%	0	0%
MS	24	100.0%	0	0%
TOTAL	177	96.2%	7	3.8% PASS
