

3A and 2-1A Baseball and Softball Regional Format

3A and 2-1A only

Teams will be placed in four geographic regions and seeded in regional tournament brackets by seed, 1-4-5-8-9-12-13-16 and 2-3-6-7-10-11-14-15. The winner of each regional tournament advances to the state tournament. If a region has more than 16 teams, only the top 16 appear in the bracket. Those not included in the bracket may schedule a game on their own.

Baseball Schedule:

Quarterfinals will be played at the higher seed (3A May 13, 2-1A May 14).

Semifinals and finals will be played at the highest remaining seed May 19th.

Softball Schedule:

Quarterfinals will be played at the higher seed (3A May 19, 2-1A May 20).

Semifinals and finals will be played at the highest remaining seed May 22nd.

Rainout dates are the subsequent days.

Hosting:

If the higher seed cannot host based on facility constraints such as improper fences, parking, seating or ability to collect tickets then the next highest seed in that bracket will host.

Schools who know they will be unable to host postseason games will need to notify the KSHSAA by April 1. A host form will be sent to all schools to collect this information.

Officials

League commissioners/host schools will secure umpires as they do currently.

If umpire availability becomes an issue for the quarterfinal round, consolidation for sites could be considered by all schools and league commissioners in agreement.
